TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT FISCAL YEAR 2026 DEVELOPER FUNDING AGREEMENT

THIS FISCAL YEAR 2026 DEVELOPER FUNDING AGREEMENT (the "Agreement") is made and entered into this _____ day of August 2025, by and between:

TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government, established pursuant to Chapter 190, Florida Statutes, and located in the City of Titusville, Brevard County, Florida (hereinafter "District"), and

CAROLINA HOLDINGS II, LLC, a Nevada limited liability company and a landowner in the District (hereinafter "Developer").

Recitals

WHEREAS, the District was established by Ordinance Number 04-2022 of the City Council of Titusville, Florida (the "City Council"), pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, (the "Act") for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure, including a storm water management system, roadways, water distribution and sewer collection systems, landscaping, recreational facilities and other infrastructure; and

WHEREAS, the District, pursuant to the Act, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, Developer presently owns and/or is developing real property within the District, which property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

WHEREAS, the District is adopting its general fund budget for the fiscal year beginning October 1, 2025 and ending September 30, 2026 ("the Budget"); and

WHEREAS, the Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, are attached hereto and incorporated herein by reference as Exhibit "A"; and

WHEREAS, the District has or will levy non ad valorem special assessments on all land within the District that will benefit from the District activities, operations and services set forth in Exhibit "A"; and

WHEREAS, the Developer agrees that the activities, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected on Exhibit "A" to the property owned by the Developer within the District (the "Property"); and

WHEREAS, in lieu of initially certifying for collection special assessments on the Property, the District is willing to allow the Developer to provide such funds as are necessary to allow the District to proceed with its operations as described in Exhibit "A" so long as payment is timely provided; and

WHEREAS, the District desires to secure the funding of the Budget through the imposition of a continuing lien against the Property and otherwise as provided herein and in any resolutions of the District pertaining to the imposition of a lien for special assessments.

WHEREAS, the Developer agrees to enter into the Agreement in lieu of having the District collect any non-ad valorem assessments as authorized by law against the Property located within the District for the activities, operations, and services set forth in the Budget.

NOW THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which is hereby acknowledged, the parties agree as follows:

- 1. The Developer agrees to make available to the District the monies necessary for the operation of the District based on actual expenditures of the District as called for in the budget attached hereto as Exhibit "A" (and as Exhibit "A" may be amended from time to time), within thirty (30) days of written request by the District. Amendments to the District's Budget as shown in Exhibit "A" adopted by the District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the parties. The funds provided under this Agreement shall be placed in the District's general checking account. These payments are made by the Developer in lieu of the collection of special assessments that might otherwise be collected by the District.
- District shall have the right to file a continuing lien upon the Property described in Exhibit "A" for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses, and court costs incurred by the District incident to the collection of funds under this Agreement and for enforcement of this lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens, and encumbrances in order to preserve and protect the District's lien. The lien shall be effective as of the date and time of the recording of a "Notice of Lien for FY 2026 Budget" in the public records of Brevard County, Florida, stating among other things, the description of the real property and the amount due as of the recording of the Notice, and the existence of this Agreement. The District Manager, in its sole discretion, is hereby authorized by the District to file the Notice of Lien for the Budget on behalf of the District, without need of further Board action authorizing or directing such filing. At the District Manager's direction, the District may also bring an action at law against the record title holders to the Property to pay the amount due under this Agreement, or may foreclose the lien against the Property in any manner authorized by law. In the event the Developer sells any of the Property after the execution of this Agreement, the Developers' rights and obligations under this Agreement shall remain the same, provided however that the District shall only have the right to file a lien upon the remaining Property owned by the Developer.

- 3. The District has found that the activities, operations and services set out in Exhibit "A" provide a special and peculiar benefit to the Property, as described in the legal description attached hereto and incorporated herein as Exhibit "B". The Developer agrees that the activities, operations and services set forth in Exhibit "A" provide a special and peculiar benefit to the Property equal to or in excess of the costs set out in Exhibit "A", as described in Exhibit "B". Therefore, in the alternative or in addition to the other methods of collection set forth in this Agreement, or in any resolution of the District regarding the imposition and collection of special assessments, the District, in its sole discretion, and upon failure of the Developer to make payment as provided for in this Agreement, may choose to certify for collection amounts due hereunder as a non ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197 or under any method of direct bill and collection on a future years tax roll and collected by the Brevard County Tax Collector, collected pursuant to a foreclosure action, or, at the District's discretion, collected in any other method authorized by law.
- 4. In the event the District is required to certify non ad valorem special assessments for collection as a result of the Developer's failure to provide the funds as required under this Agreement, the amount of funds received by the District from Developer under this Agreement shall be credited pro-rata to all lands subject to special assessments in the manner provided in the District's assessment methodology of operation and maintenance.
- 5. District and Developer agree that the FY 2026 Budget shall be revised at the end of the fiscal year to reflect the actual expenditures for the District for the period beginning October 1, 2025 and ending September 30, 2026. Developer shall not be responsible for any costs other than those costs provided for in the Budget, as so amended.
- 6. This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing that is executed by both of the parties hereto.
- 7. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law and each party has full power and authority to comply with the terms and provisions of this instrument.
- 8. This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld.
- 9. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement through the imposition and enforcement of a contractual or other lien on property owned by the Developer, and in the manner described in paragraph 3 above.
 - 10. In the event that either party is required to enforce this Agreement by court

proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other party all costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution or appellate proceedings.

- 11. This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns.
- 12. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida.
- 13. This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and elected the language, and the doubtful language will not be interpreted or construed against any party.
- 14. The Agreement shall be effective after execution by both parties. The enforcement provisions of this Agreement shall survive its termination until all payments due under this Agreement are paid in full.

The purpose of this report is to (i) provide a description of the portions of the Master Project that are intended to be financed through the issuance of the District's proposed Capital Improvement Revenue Bonds Series 2025 (the "Series 2025 Project"); (ii) provide the current status of development and construction of the Series 2025 Project; and (iii) provide a summary cost estimate of the Series 2025 Project. The Series 2025 Project, as outlined herein, includes the Master Project improvements necessary for the development of Phases 1, 2 and 3 of the District (also referred to herein as the "2025 Assessment Area"). A metes and bounds legal description of Phases 1, 2 and 3 is set forth in Exhibit 1.

Completion of Residential Units

The CDD Master Plan contemplates a total of 2,404 residential units consisting of 269 single-family units and 2,135 multifamily units, 270 hotel rooms, and 280,000 square feet of commercial product.

Table 1 describes the current development plan for Phases 1-3. Construction of the 202 lots in Phase 1 and Phase 2 of the District have been completed and the 67 lots in Phase 3 are in the permitting process by the developer, Carolina Holdings II, LLC. No additional single-family residential units are contemplated for the District.

1.0 Introduction

Tranquility Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the "District"), as amended. The District plans to issue \$6,790,000 of tax exempt bonds in one or more series (the "Series 2025 Bonds" or "Bonds") for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Supplemental Engineer's Report dated June 17, 2025, prepared by Honeycutt & Associates, Inc. as may be amended and supplemented from time to time (the "Engineer's Report"). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within the District.

1.1 Purpose

This First Supplemental Assessment Methodology Report for the Series 2025 Project supplements the Master Assessment Methodology dated February 12, 2024, and provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District (the "Assessment Report"). This Assessment Report allocates the debt to properties based on the special benefits each receives from the District's capital improvement plan ("CIP") relating to Phases 1, 2 & 3 of development, as further described in the Engineer's Report (the "Series 2025 Project"). This Assessment Report is designed to conform to the requirements of Chapters 190, 197 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner's association, or any other unit of government.

1.2 Background

The District currently includes approximately 345.9 acres within the City of Titusville, located in Brevard County, Florida. The development program is planned to include 269 residential units, of which, 202 residential units are currently platted within Phases 1 & 2 of development and 24.05 acres remain undeveloped within Phase 3 of development (herein the "2025 Assessment Area"), which represents a portion of the planned development within the District (herein the "Development"). The Development program for the 2025 Assessment Area is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the Series 2025 Project will provide facilities that benefit certain property within the District, including the 2025 Assessment Area. The Series 2025 Project is delineated in the Engineer's Report. Specifically, the District will construct and/or acquire certain storm drainage/treatment, onsite roadways, offsite roadways, and sanitary sewer/potable water. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

- 1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Series 2025 Project.
- 2. The District Engineer determines the acres that benefit from the District's Series 2025 Project.
- 3. A calculation is made to determine the funding amounts necessary to acquire and/or construct Series 2025 Project.
- 4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to assessable property, different in kind and degree than general benefits, for properties within it's borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the Series 2025 Project enables properties within its boundaries to be developed. Without the District's Series 2025 Project, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's Series 2025 Project. However, these benefits will be incidental to the District's Series 2025 Project, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's Series 2025 Project. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Series 2025 Project that is necessary to support full development of property within certain property within the District, will cost approximately \$19,948,487. The District's Underwriter projects that financing costs required to fund a portion of the Series 2025 Project, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be approximately \$6,790,000. Additionally, funding required to complete the Series 2025 Project which is not financed with Bonds will be funded by Carolina Holdings II LLC (the "Developer"). Without the Series 2025 Project, the property would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District plans to issue \$6,790,000 in Bonds to fund a portion of the District's Series 2025 Project, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$6,790,000 in debt to the properties benefiting from the Series 2025 Project.

Table 1 identifies the proposed land uses as identified by the Developer. The District has relied on the Engineer's Report to develop the costs of the Series 2025 Project needed to support a portion of the Development, these construction costs are outlined in Table 2. The improvements needed to support a portion of the Development are described in detail in the Engineer's Report and are estimated to cost \$19,948,487. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the Series 2025 Project and

related costs was determined by the District's Underwriter to total approximately \$6,790,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt assessments is a continuous process until the development plan is completed. The Series 2025 Project funded by District Bonds benefits all developable acres within the District.

Once platting or the recording of declaration of condominium, ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis ("Unassigned Properties"). Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the planned 269 residential units, which are the beneficiaries of the Series 2025 Project, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

The assignment of debt assessments pledged to the 2025 Bonds to platted units will be done on a first-platted, first-assigned basis, consistent with the assessment methodology found in the Master Report and as further described below. The initial assessments will be allocated to the platted property within the District first at the levels provided in Table 6, and then on an equal basis to the remaining unplatted gross acres within the 2025 Assessment Area. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefitting from the improvements.

In order for debt service assessment levels to be consistent with market conditions, developer contributions are recognized. This is reflected on Table 5. Based on the product type and number of units anticipated to absorb the Bonds Principal, it is estimated that the CDD will recognize a developer contribution equal to approximately \$6,160,000 in eligible infrastructure.

2.3 Allocation of Benefit

The Series 2025 Project consists of storm drainage/treatment, onsite roadways, offsite roadways, and sanitary sewer/potable water. There are <u>two</u> residential product types within the planned development. The single family 50′ home has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit

derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed Series 2025 Project will provide several types of systems, facilities and services for its residents. These include storm drainage/treatment, onsite roadways, offsite roadways, and sanitary sewer/potable water. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of Series 2025 Project, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's Series 2025 Project have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the

determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed Series 2025 Project is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the debt service assessments to the Assigned Properties within Phases 1 & 2, and then across the remaining assessable property within the 2025 Assessment Area on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The current assessment roll is depicted in Table 7.

WHEREAS, Tranquility Community Development District (the "District") is a local unit of special-purpose government organized and existing in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the

"Act"), created by Ordinance No. 4-2022 of the City Council of the City of Titusville, Florida (the "City"), enacted, and effective on February 22, 2022; and

WHEREAS, the District was created for the purpose of delivering certain community development services and facilities within and outside its boundaries, and the District has decided to undertake the planning, acquisition, construction, equipping and installation of roadway improvements, bridges, stormwater management systems and landscape/hardscape improvements and other public infrastructure improvements, pursuant to the Act; and

WHEREAS, there has been submitted to this meeting with respect to the issuance and sale of the Series 2025 Bonds and submitted to the Board of Supervisors of Tranquility Community Development District (the "Board"):

- (i) a form of First Supplemental Trust Indenture between the Trustee and the District attached hereto as **Exhibit A** (the "First Supplemental Indenture" and together with the Master Indenture between the District and the Trustee, the "Indenture"); and
- (ii) a form of Bond Purchase Agreement with respect to the Series 2025 Bonds between MBS Capital Markets, LLC (the "Underwriter") and the District attached hereto as **Exhibit B** (the "Contract of Purchase"), together with the form of disclosure statements attached to the Contract of Purchase in accordance with Section 218.385, Florida Statutes; and
- (iii) the form of Preliminary Limited Offering Memorandum attached hereto as **Exhibit C** (the "Preliminary Limited Offering Memorandum"); and
- (iv) a form of Continuing Disclosure Agreement, among the District, Sunbelt Titusville Investments, LCC, a Nevada limited liability company and Carolina Holdings II, LCC, a Nevada limited liability company (collectively, the "Landowner") and the Dissemination Agent (hereinafter defined), and joined in part by the Trustee, Governmental Management Services Central Florida, LLC, as the Disclosure Representative named therein, attached hereto as **Exhibit D**.

- **NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of Tranquility Community Development District, as follows:
- **Section 1. Definitions.** All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meanings ascribed to them in the Indenture.
- **Section 2. Authorization, Designation and Principal Amount of the Series 2025 Bonds.** There are hereby authorized and directed to be issued the District's Tranquility Community Development District Special Assessment Bonds, Series 2025 (2025 Assessment Area) in the aggregate principal amount of not to exceed \$9,000,000 for the purposes, among others, of providing funds for the payment of a portion of the Costs of the Project. The purchase price of the Series 2025 Bonds shall be received and receipted by the District, or the Trustee on behalf of the District, and the Trustee shall apply the proceeds of the Series 2025 Bonds as set forth in the First Supplemental Indenture and the final Limited Offering Memorandum (as defined below).
- **Section 3. Designation of Attesting Members.** The Chair or the Secretary of the Board, or in the case of the absence of either or the inability to act of either, the Vice Chair or Assistant Secretaries and members of the Board (each individually a "Designated Member"), are hereby designated and authorized on behalf of the Board to attest to the seal of the Board and to the signature of the Chair or Vice Chair of the Board as they appear on the Series 2025 Bonds, the Indenture and any other documents which may be necessary or helpful in connection with the issuance and delivery of the Series 2025 Bonds and in connection with the application of the proceeds thereof.
- **Section 4. Details of the Series 2025 Bonds.** The District hereby determines that the Series 2025 Bonds shall be dated, have such interest payment dates, have such maturities, have such redemption provisions and bear interest at such rates, all as provided in the Contract of Purchase and the final Limited Offering Memorandum.
- **Section 5. Trust Indenture.** The District hereby approves and authorizes the execution by the Chair or any Designated Member and the Secretary and the delivery of the First Supplemental Indenture in substantially the form thereof attached hereto as **Exhibit A**, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of First Supplemental Indenture attached hereto.
- **Section 6. Appointment of Underwriter; Negotiated Sale.** MBS Capital Markets, LLC is hereby appointed the Underwriter of the Series 2025 Bonds. The Series 2025 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2025 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interest of the District and is necessitated by, in general, the characteristics of the issue and prevailing market conditions and specifically, the following additional reasons: (i) because of the complexity of the financing structure of the Series 2025 Bonds and the institutional market for unrated securities such as the Series 2025 Bonds, it is desirable to sell the

Series 2025 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters; (ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2025 Bonds, it is in the best interests of the District to sell the Series 2025 Bonds by a negotiated sale; (iii) the Underwriter has participated in structuring the issuance of the Series 2025 Bonds and can assist the District in attempting to obtain the most attractive financing for the District; and (iv) the District will not be adversely affected if the Series 2025 Bonds are not sold pursuant to a competitive sale.

Section 7. Contract of Purchase.

- (i) The District hereby approves the form of the Contract of Purchase submitted by the Underwriter and attached as **Exhibit B** hereto, and the sale of the Series 2025 Bonds by the District upon the terms and conditions to be set forth in the Contract of Purchase and in compliance with subparagraph (ii) below are hereby approved. Provided the provisions of subparagraph (ii) have been complied with, the Chairman or a Designated Member are each hereby authorized, acting individually, to execute the Contract of Purchase and to deliver the Contract of Purchase to the Underwriter. The Contract of Purchase shall be in substantially the form of the Contract of Purchase attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chair or the Designated Member. The disclosure statements of the Underwriter as required by Section 218.385 of the Florida Statutes, to be delivered to the District prior to the execution of the Contract of Purchase, a copy of which is attached as an exhibit to the Contract of Purchase will be entered into the official records of the District. Execution by the Chair or a Designated Member of the Contract of Purchase shall be deemed to be conclusive evidence of approval of such changes;
- (ii) Receipt by the Chair of a written offer to purchase the Series 2025 Bonds by the Underwriter substantially in the form of the Contract of Purchase, said offer to provide for, among other things, (A) the issuance of not exceeding \$9,000,000 initial aggregate principal amount of Series 2025 Bonds at the maximum statutory rate, (B) an underwriting discount (including management fee and all expenses but excluding original issue discount) not in excess of 2% of the par amount of the Series 2025 Bonds, and (C) the maturities of the Series 2025 Bonds not exceeding May 1, 2057.
- **Section 8. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum.** The District hereby authorizes and approves the distribution and use of the Preliminary Limited Offering Memorandum in substantially the form submitted to this meeting and attached hereto as **Exhibit C** in connection with the limited offering for sale of the Series 2025 Bonds. The preparation of a final Limited Offering Memorandum is hereby approved and the Chair or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2025 Bonds, and upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution

of the Series 2025 Bonds. The final Limited Offering Memorandum shall be substantially in the form as the Preliminary Limited Offering Memorandum, with such changes as shall be approved by the Chair or Designated Member as necessary to conform to the details of the Series 2025 Bonds, the Contract of Purchase and such other insertions, modifications and changes as may be approved by the Chair or Designated Member. The execution and delivery of the final Limited Offering Memorandum by the Chairman shall constitute evidence of the approval thereof. The District hereby authorizes the use of the final Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2025 Bonds. The District hereby authorizes the Chairman or a Designated Member to deem "final" the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard. The District hereby authorizes the use of a draft of the Supplemental Assessment Methodology Report in the Preliminary Limited Offering Memorandum.

Section 9. Continuing Disclosure. The District does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chair or a Designated Member substantially in the form presented to this meeting and attached hereto as **Exhibit D** with the Landowner. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5). Governmental Management Services – Central Florida, LLC is hereby appointed as the initial dissemination agent (the "Dissemination Agent").

Section 10. Application of Bond Proceeds. The proceeds of the Series 2025 Bonds shall be applied to (i) paying a portion of the Costs of the Project, (ii) paying interest becoming due on the Series 2025 Bonds through November 1, 2025, (iii) funding the Series 2025 Debt Service Reserve Account, and (iv) paying the costs of issuance of the Series 2025 Bonds.

Section 11. Further Official Action; Ratification of Prior and Subsequent Acts. The Chair, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2025 Bonds, any documents required in connection with implementation of a book-entry system of registration, any other agreements with the Landowner, and investment agreements relating to the investment of the proceeds of the Series 2025 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2025 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chair or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. The Chair or any Designated Member may, among other things, authorize the change of the date of any document accompanying this Resolution as an exhibit or incorporate the information and details related to the sale and pricing of the Series 2025 Bonds including any required changes to the District engineer's report or its assessment methodology. Execution by the Chair or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date or the incorporation of information and details relating to the sale and pricing of the Series 2025 Bonds. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 12. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 13. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 14. Ratification of Initial Resolution. Except to the extent hereby modified, the Initial Resolution of the District is hereby ratified, confirmed and approved in all respects.

Section 15. Effective Date. This Resolution shall take effect immediately upon its adoption.

ARTICLE IV

ESTABLISHMENT OF CERTAIN FUNDS AND ACCOUNTS; ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS; REMOVAL OF SPECIAL ASSESSMENT LIENS

SECTION 4.01. <u>Establishment of Certain Funds and Accounts.</u>

The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account hereunder in the amounts set forth in Section 2.06 of this First Supplemental Indenture, together with any excess moneys transferred to the Series 2025 Acquisition and Construction Account. Such moneys in the Series 2025 Acquisition and Construction Account shall be applied as set forth in Article V of the Master Indenture and this Sections 4.01(a) and 3.01(b)(i) of this First Supplemental Indenture to pay costs to acquire and/or construct portions of the Series 2025 Project, or as otherwise provided herein after the Completion Date. Each requisition shall substantially be in the form of requisition attached as **Exhibit D** to the Master Indenture. The Trustee shall have no duty to review the requisition to determine if the amount requested is for payment of a cost permitted hereunder. After the Completion Date of the Series 2025 Project, which shall not occur until the satisfaction of the Reserve Account Release Conditions and after transferring any resulting excess Series 2025 Debt Service Reserve Requirement from the Series 2025 Debt Service Reserve Account to the Series 2025 Acquisition and Construction Account, and after retaining in the Series 2025 Acquisition and Construction Account the amount, if any, of all remaining unpaid Costs of any portion of the Series 2025 Project set forth in the Consulting Engineer's Certificate establishing such Completion Date, any funds remaining in the Series 2025 Acquisition and Construction Account shall be transferred to and deposited into the Series 2025 General Account of the Series 2025 Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2025 Bonds, and the Series 2025 Acquisition and Construction Account shall be closed. Earnings on investments in the Series 2025 Acquisition and Construction Account shall remain therein. The Series 2025 Acquisition and Construction Account shall remain open until the Reserve Account Release Conditions have been satisfied.

There is hereby established within the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund held by the Trustee a "Series 2025 Costs of Issuance Subaccount." Amounts in the Series 2025 Costs of Issuance Subaccount shall be applied by the Trustee to pay the costs relating to the issuance of the Series 2025 Bonds. Six months after the date of issuance of the Series 2025 Bonds, any moneys remaining in the Series 2025 Costs of

Issuance Subaccount which have not been requisitioned by the Issuer to pay costs relating to the issuance of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account and applied as set forth in Article V of the Master Indenture and Section 4.01(a) of this First Supplemental Indenture, and the Series 2025 Costs of Issuance Subaccount shall be closed.

- (b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2025 Revenue Account." Series 2025 Special Assessments (except for Series 2025 Prepayments which shall be identified as such by the Issuer to the Trustee to be deposited in the Series 2025 Prepayment Account) shall be deposited by the Trustee into the Series 2025 Revenue Account which shall be applied as set forth in Article VI of the Master Indenture and Section 4.02 of this First Supplemental Indenture.
 - (c) Reserved.
- (d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2025 Interest Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Interest Account in the amount set forth in Section 2.06(c) of this First Supplemental Indenture. Moneys deposited into the Series 2025 Interest Account shall be applied for the purposes provided therein and in Section 4.02 of this First Supplemental Indenture.
- (e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2025 Sinking Fund Account." Moneys shall be deposited into such Account as provided in Article VI of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.
- (f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish an Account within the Debt Service Reserve Fund designated as the "Series 2025 Debt Service Reserve Account."

The Series 2025 Debt Service Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Debt Service Reserve Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2025 Debt Service Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account and the Series 2025 Sinking Fund Account to pay Debt Service Requirements on the Series 2025 Bonds, when due, to the extent the moneys on deposit in such Accounts and available therefor are insufficient and for no other purpose.

Upon satisfaction of the Reserve Account Release Conditions, a Responsible Officer of the Issuer shall provide the Reserve Release Certifications to the Trustee, upon which certifications the Trustee may conclusively rely, and thereupon a Responsible Officer of the Issuer shall recalculate the Series 2025 Debt Service Reserve Requirement and instruct the Trustee to transfer any excess as a result of having met such Reserve Account Release Conditions to the Series 2025

Acquisition and Construction Account of the Acquisition and Construction Fund to be used for the purposes of such Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the Issuer shall recalculate the Series 2025 Debt Service Reserve Requirement taking into account any Series 2025 Prepayment Principal on deposit in the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2025 Debt Service Reserve Account in excess of the Series 2025 Debt Service Reserve Requirement as a result of such Series 2025 Prepayment Principal to the Series 2025 Prepayment Account as a credit against the Series 2025 Prepayment otherwise required to be made by the owner of such lot or parcel. Following the foregoing transfer, such amounts in the Series 2025 Prepayment Account shall be applied to the extraordinary mandatory redemption of the Series 2025 Bonds on the earliest date permitted for redemption therein and herein. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2025 Debt Service Reserve Account, sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest on such Series 2025 Bonds to the earliest date of redemption permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2025 Debt Service Reserve Account into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest date permitted for redemption therein and herein.

Anything in the Master Indenture or herein to the contrary notwithstanding, amounts on deposit in the Series 2025 Debt Service Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of delinquent Series 2025 Special Assessments.

Earnings on investments in the Series 2025 Debt Service Reserve Account shall be disposed of as follows:

- (A) If as of the last date on which amounts on deposit in the Series 2025 Debt Service Reserve Account were valued by the Trustee there was a deficiency in the Series 2025 Debt Service Reserve Account, or if after such date withdrawals have been made from the Series 2025 Debt Service Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Debt Service Reserve Account shall be deposited to the credit of the Series 2025 Debt Service Reserve Account until the amounts on deposit therein equal the Series 2025 Debt Service Reserve Requirement; and
- (B) As long as no notice of an Event of Default under the Indenture has been delivered to the Trustee or if such Event of Default described in a notice has been cured or waived as provided in the Master Indenture, and the amount in the Series 2025 Debt Service Reserve Account is not reduced below the then Series 2025 Debt Service Reserve Requirement, then earnings on investments in such Account shall be applied as

follows: (x) prior to the Completion Date of the Series 2025 Project, to the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund, and (y) on and after the Completion Date of the Series 2025 Project, to the Series 2025 Revenue Account of the Revenue Fund. Upon the occurrence and continuance of an Event of Default, earnings on investments in the Series 2025 Debt Service Reserve Account shall remain therein.

- (c) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Fund designated as the "Series 2025 Bond Redemption Fund" and within such Fund, a "Series 2025 General Account" and a "Series 2025 Prepayment Account." Except as otherwise provided in this First Supplemental Indenture, moneys to be deposited into the Series 2025 Bond Redemption Fund, as provided in Article VI of the Master Indenture shall be deposited to the Series 2025 General Account of the Series 2025 Bond Redemption Fund. Series 2025 Prepayments shall be identified as such by the Issuer to the Trustee to then be deposited directly into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund, as provided in the Indenture.
- (d) Moneys in the Series 2025 General Account (including all earnings on investments held therein) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, to make such deposits into the Rebate Fund for the Series 2025 Bonds, if any, as the Issuer may direct in writing in accordance with the Arbitrage Certificate, such moneys thereupon to be used solely for the purposes specified in the Arbitrage Certificate. Any moneys so transferred from the Series 2025 General Account to the Rebate Fund shall thereupon be free from the lien and pledge of the Indenture; and

SECOND, the remainder to be utilized by the Trustee, at the written direction of a Responsible Officer, to call for redemption such Series 2025 Bonds that are subject to optional redemption pursuant to Section 3.01(a) hereof such amount of Series 2025 Bonds as, with the redemption premium, may be practicable; provided, however, that not less than \$5,000 principal amount of Series 2025 Bonds shall be called for redemption at one time.

- (i) Moneys in the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund (including all earnings on investments therein) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(ii) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Account pursuant to the aforesaid provision, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in Section 3.01(b)(ii) hereof.
- SECTION 4.02. <u>Series 2025 Revenue Account</u>. The Trustee shall deposit into the Series 2025 Revenue Account the Pledged Revenues, other than Series 2025 Prepayment Principal, which shall be identified by the Issuer to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption

Fund, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the Issuer at the time of deposit to the Trustee, Pledged Revenues paid to the Trustee shall be deposited into the Series 2025 Revenue Account, and that Pledged Revenues which the Issuer informs the Trustee constitute Series 2025 Prepayment Principal shall be deposited into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2025 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund and, if the balance therein is greater than zero, shall, upon written direction from the Issuer, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Account, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay the Debt Service Requirements coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Account in accordance with the provisions for extraordinary mandatory redemption of the Series 2025 Bonds set forth in Article III hereof.

Following the foregoing transfers, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account of the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, no later than the Business Day preceding each May 1 and November 1, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds due on such May 1 or November 1, less any amounts on deposit in the Series 2025 Interest Account representing Capitalized Interest in accordance with Section 4.01(d) and less any other amounts already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next succeeding each Interest Payment Date, to the Series 2025 Debt Service Reserve Account an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Debt Service Reserve Requirement;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not an Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the following paragraph, the balance of any moneys remaining after making the foregoing deposits shall remain in the Series 2025 Revenue Account unless pursuant to the Arbitrage Certificate it is necessary to make a deposit into the Rebate Fund, in which case the Issuer shall direct the Trustee in writing to make such deposit thereto.

On or after each November 2, the balance on deposit in the Series 2025 Revenue Account on such November 2 shall (i) before the Completion Date of the Series 2025 Project, be transferred into the Series 2025 Acquisition and Construction Account, and (ii) on and after the Completion Date of the Series 2025 Project, be paid over to the Issuer at the written direction of a Responsible Officer and used for any lawful purpose of the Issuer; provided, however, that on the date of either such proposed transfer the Trustee shall not have received written notice of an Event of Default under the Indenture relating to the Series 2025 Bonds, and all Trustee's fees and expenses relating to the Series 2025 Bonds shall have been paid.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Indenture and to pledge the Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except for Bonds issued to refund all or a portion of the Series 2025 Bonds. The Series 2025 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2025 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2025 Project to Conform to Plans and Specifications; Changes. The Issuer will proceed to complete the Series 2025 Project, as described in the Engineer's Report, in accordance with the plans and specifications therefor, as such plans and specifications may be amended by the Issuer from time to time; provided that prior to any such amendment of the plans and specifications for the Series 2025 Project, the Consulting Engineer shall have delivered its certificate approving the proposed amendment to such plans and specifications.

SECTION 4.05. <u>Prepayments; Removal of Special Assessment Liens.</u>

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or under certain circumstances described in the Assessment Resolutions in connection with Series 2025 Prepayments derived from application of the "true-up" mechanism therein, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying to the Issuer all or a portion of the Series 2025 Special Assessment which shall constitute Series 2025 Prepayments as directed in writing by the Issuer pursuant to the provisions of Section 4.01(b) of this First Supplemental Indenture, plus accrued interest to the next succeeding Quarterly Redemption Date (or the second

succeeding Quarterly Redemption Date if such prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to such Series 2025 Special Assessment owned by such owner; provided, however, to the extent that such payments are to be used to redeem Series 2025 Bonds in the event the amount in the Series 2025 Debt Service Reserve Account will exceed the Series 2025 Debt Service Reserve Requirement as a result of a Series 2025 Prepayment in accordance with Section 4.01(f) and the resulting redemption of Series 2025 Bonds in accordance with Section 3.01(b)(ii) of this First Supplemental Indenture, the excess amount above the Series 2025 Debt Service Reserve Requirement shall be transferred from the Series 2025 Debt Service Reserve Account to the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund, as a credit against the Series 2025 Prepayment otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer together with a certificate of a Responsible Officer of the Issuer stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Debt Service Reserve Account to equal or exceed the Series 2025 Debt Service Reserve Requirement and accompanied by cash flows which demonstrate that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding. The written instructions shall be delivered to the Trustee on or before the 46th day prior to a Quarterly Redemption Date. The Trustee is authorized to make such transfers as provided in this section and has no duty to verify such calculations.

(b) Upon receipt of Series 2025 Prepayments as described in paragraph (a) above, which includes accrued interest to the next succeeding Quarterly Redemption Date (or the second succeeding Quarterly Redemption Date if such prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee and clearly identify in writing such amounts as a Series 2025 Prepayment and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by the District Manager, to the effect that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund to be applied in accordance with Section 4.01(h)(i) of this First Supplemental Indenture, to the redemption of Series 2025 Bonds in accordance with Section 3.01(b)(ii) of this First Supplemental Indenture.

The Trustee shall conclusively rely on the Issuer's determination of what moneys constitute Series 2025 Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2025 Bonds pursuant to Section 3.01(b)(ii) of this First Supplemental Indenture on each March 15, June 15, September 15 and December 15.

ARTICLE V ADDITIONAL COVENANTS OF THE ISSUER

Section 9.04 of the Master Indenture, the Series 2025 Special Assessments. Notwithstanding Section 9.04 of the Master Indenture, the Series 2025 Special Assessments shall be directly collected and enforced by the Issuer pursuant to the provisions of the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto; provided, however, Series 2025 Special Assessments levied on platted lots and pledged hereunder to secure the Series 2025 Bonds will be collected pursuant to the Uniform Method pursuant to Section 9.04 of the Master Indenture. The Issuer covenants to enter into a Property Appraiser and Tax Collector Agreement with the County in order to comply with the provisions of this Section.

Notwithstanding the immediately preceding paragraph or any other provision in the Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the written direction of the Majority Owners, requests that the Issuer not use the Uniform Method, but instead collect and enforce Series 2025 Special Assessments pursuant to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Series 2025 Special Assessments in the manner and pursuant to the method so requested by the Trustee.

Any Series 2025 Special Assessments that are not collected pursuant to the Uniform Method shall be billed directly to the applicable landowner and be payable not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Additional Covenant Regarding Series 2025 Special Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in the Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2025 Special Assessments, including the Assessment Resolutions and the Assessment Methodology, and to levy the Series 2025 Special Assessments and any required true-up payments set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds, when due.

SECTION 5.03. <u>Foreclosure of Assessment Lien</u>. Notwithstanding Section 9.06 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2025 Special Assessments and the Series 2025 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2025 Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2025 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Series 2025 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2025 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its

own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2025 Revenue Account. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the Series 2025 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners.

SECTION 5.04. No Parity Bonds; Limitation on Parity Liens. Other than Bonds issued to refund the Outstanding Series 2025 Bonds, the Issuer shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Pledged Revenues. The Issuer further covenants and agrees that so long as the Series 2025 Bonds are Outstanding, the Issuer will not impose debt service Special Assessments for capital projects on any lands then subject to the Series 2025 Special Assessments without the written consent of the Majority Owners; provided, however, such consent shall not be required if the Series 2025 Special Assessments have been Substantially Absorbed evidence of which shall be provided by the Issuer to the Trustee in a written certificate upon which the Trustee may conclusively rely. The Trustee shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed and in the absence of a certification as provided above can assume that the Series 2025 Special Assessments have not been Substantially Absorbed. Notwithstanding the foregoing, the Issuer is not precluded from imposing capital assessments (or the issuance of Bonds secured by such capital assessments) on property then subject to the Series 2025 Special Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the Issuer.

SECTION 5.05. Acknowledgment Regarding Series 2025 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Pledged Revenues may not be used by the Issuer (whether to pay Costs of the Series 2025 Project or otherwise) without the consent of the Majority Owners of the Series 2025 Bonds, except to the extent that prior to the occurrence of an Event of Default the Issuer had incurred a binding obligation with third parties for work on the Series 2025 Project and payment is for such work and (ii) the Pledged Revenues may be used by the Trustee, at the written direction or with the written approval of the Majority Owners of the Series 2025 Bonds, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture or as otherwise provided in the Master Indenture.

SECTION 5.06. <u>Enforcement of Completion Agreement and True-Up Agreement.</u> The Issuer, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the Completion Agreement and the

True-Up Agreement, and, upon the occurrence and continuance of a default under either or both of such Agreements, the Issuer covenants and agrees that the Trustee, at the written direction of the Majority Owners of the Series 2025 Bonds may, subject to the provisions of Section 11.04 of the Master Indenture act on behalf of, and in the Issuer's stead, to enforce the provisions of such Agreement and to pursue all available remedies under applicable law or in equity. The disclosure statement required by Section 218.385, Florida Statutes, is attached hereto as Exhibit B.

2. The Series 2025 Bonds. The Series 2025 Bonds are authorized and issued pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and Ordinance No. 4-2022, enacted by the City Council of the City of Titusville, Florida on February 22, 2022 (the "Ordinance"). The District was established for the purposes, among other things, of financing and managing the design, acquisition, construction,

maintenance, and operation of systems, facilities and basic infrastructure within and without the boundaries of the premises to be governed by the District. The Series 2025 Bonds are being issued pursuant to the Act and a Master Trust Indenture, dated as of September 1, 2025 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of September 1, 2025, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and Resolution Nos. 2022-13 and 2025-[_], adopted by the Board of Supervisors of the District (the "Board") on March 23, 2022 and August [8], 2025, respectively (collectively, the "Bond Resolution"), authorizing the issuance of the Series 2025 Bonds. The principal and interest on the Series 2025 Bonds are payable from and secured by the Pledged Revenues, which consist primarily of the revenues received by the District from the Series 2025 Special Assessments levied against certain lands in the District that are subject to assessment as a result of the Series 2025 Project or any portion thereof.

3. <u>Delivery of Limited Offering Memorandum and Other Documents.</u>

- (a) Prior to the date hereof, the District provided to the Underwriter for its review the Preliminary Limited Offering Memorandum, dated [PLOM Date] (the "Preliminary Limited Offering Memorandum"), that the District deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC Rule") in connection with the pricing of the Series 2025 Bonds. The District hereby confirms that the Preliminary Limited Offering Memorandum was deemed final as of its date, except for the permitted omissions.
- (b) The District shall deliver, or cause to be delivered, at its expense, to the Underwriter, within seven (7) business days after the date hereof, or use good faith to deliver within such shorter period as may be requested by the Underwriter and at least one (1) business day prior to the date of Closing, or within such other period as the Underwriter may inform the District which is necessary for the Underwriter to comply with regulations of the Municipal Securities Rulemaking Board ("MSRB") in order to accompany any confirmation that requests payment from any customer, sufficient copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum") to enable the Underwriter to fulfill its obligations pursuant to the securities laws of the State of Florida (the "State") and the United States, in form and substance satisfactory to the Underwriter. The Underwriter agrees to file the Limited Offering Memorandum in accordance with applicable MSRB rules.

The District authorizes, or ratifies as the case may be, the use and distribution of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2025 Bonds. The Underwriter agrees that it will not confirm the sale of any Series 2025 Bonds unless the confirmation of sale requesting payment is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum.

The District will promptly notify the Underwriter of the occurrence of any event of which it has knowledge which, in its opinion, is an event described in the preceding sentence. The amendments or supplements that may be authorized for use with respect to the Series 2025 Bonds are hereinafter included within the term "Limited Offering Memorandum."

- 5. Offering and Sale of Series 2025 Bonds. The Underwriter agrees to make a bona fide limited offering to "accredited investors" representing the general public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of all of the Series 2025 Bonds at not in excess of the initial public offering price or prices (or below the yield or yields) set forth in Exhibit A attached hereto; provided, however, that the Underwriter may (a) offer and sell the Series 2025 Bonds to certain bond houses, brokers or to similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices set forth in Exhibit A attached hereto, or (b) change such initial offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Series 2025 Bonds. The Underwriter agrees to assist the District in establishing the issue price as provided in Section 20 hereof.

The District hereby authorizes the Underwriter to use the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2025 Bonds and ratifies and confirms the distribution and use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with such limited public offering and sale.

the Underwriter. The performance of any and all obligations of the District hereunder and the performance of any and all conditions herein for the benefit of the Underwriter may be waived by the Underwriter in its sole discretion.

If the District shall be unable to satisfy the conditions to the obligations of the Underwriter to cause the purchase, acceptance of delivery and payment for the Series 2025 Bonds contained in this Purchase Agreement, or if the obligations of the Underwriter to cause the purchase, acceptance of delivery and payment for the Series 2025 Bonds shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement shall terminate, and neither the Underwriter nor the District shall be under further obligation hereunder; provided, however, that the respective obligations of the Underwriter and the District set forth in Section 10 hereof shall continue in full force and effect.

- **9.** <u>Termination</u>. The Underwriter may terminate this Purchase Agreement by written notice to the District in the event that between the date hereof and the date of Closing:
- the marketability of the Series 2025 Bonds or the market price thereof, in the reasonable opinion of the Underwriter, has been materially adversely affected by (1) an amendment to the Constitution of the United States, (2) any legislation (other than any actions taken by either House of Congress on or prior to the date hereof) (A) enacted or adopted by the United States, (B) recommended to the Congress or otherwise endorsed for passage, by press release, other form of notice or otherwise, by the President of the United States, the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, the Treasury Department of the United States or the Internal Revenue Service, or (C) favorably reported out of the appropriate Committee for passage to either House of the Congress by any full Committee of such House to which such legislation has been referred for consideration, (3) any decision of any court of the United States, (4) any order, rule or regulation (final, temporary or proposed) on behalf of the Treasury Department of the United States, the Internal Revenue Service or any other authority or regulatory body of the United States, (5) a release or announcement or communication issued or sent by the Treasury Department of the United States or the Internal Revenue Service, or (6) any comparable legislative, judicial or administrative development affecting the federal tax status of the District, its property or income, obligations of the general character of the Series 2025 Bonds, as contemplated hereby, or the interest thereon; or
- (b) any legislation, rule, or regulation shall be introduced in, or be enacted or adopted in the State, or a decision by any court of competent jurisdiction within the State shall be rendered which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or
- (c) any amendment to the Limited Offering Memorandum is proposed by the District or deemed necessary by Bond Counsel or the Underwriter which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or

- (d) there shall have occurred any outbreak or escalation of hostility, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Underwriter, impractical or inadvisable to proceed with the offering or delivery of the Series 2025 Bonds as contemplated by the Limited Offering Memorandum (exclusive of any amendment or supplement thereto); or
- (e) legislation shall be enacted or adopted, or any action shall be taken by, or on behalf of, the Securities and Exchange Commission (the "SEC") which, in the reasonable opinion of Bond Counsel, has the effect of requiring the contemplated distribution of the Series 2025 Bonds to be registered under the Securities Act of 1933, as amended (the "1933 Act"), or the Indenture to be qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"), or any laws analogous thereto relating to governmental bodies, and compliance therewith cannot be accomplished prior to the Closing; or
- (f) legislation shall be introduced by amendment or otherwise in or be enacted by the House of Representatives or the Senate of the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, release, regulation, official statement or no-action letter by or on behalf of the SEC or any other governmental authority having jurisdiction of the subject matter of the Series 2025 Bonds shall have been proposed, issued or made (which is beyond the control of the Underwriter or the District to prevent or avoid) to the effect that the issuance, offering or sale of the Series 2025 Bonds as contemplated hereby or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of the Series 2025 Bonds is or would be in violation of any of the federal securities laws at Closing, including the 1933 Act, as amended and then in effect, the Securities Exchange Act of 1934, as amended and then in effect, or the 1939 Act, as amended and then in effect, or with the purpose or effect of otherwise prohibiting the offering and sale of either the Series 2025 Bonds as contemplated hereby, or of obligations of the general character of the Series 2025 Bonds; or
- (g) there shall have occurred, after the signing hereof, either a financial crisis or a default with respect to the debt obligations of the District or proceedings under the federal or State bankruptcy laws shall have been instituted by the District, in either case the effect of which, in the reasonable judgment of the Underwriter, is such as to materially and adversely affect the market price or the marketability of the Series 2025 Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Series 2025 Bonds; or
- (h) a general banking moratorium shall have been declared by the United States, New York or State authorities which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or
- (i) any national securities exchange or any governmental authority shall impose, as to the Series 2025 Bonds or obligations of the general character of the Series 2025 Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the establishment of material restrictions upon trading of securities, including limited or minimum prices, by any governmental authority or by any national securities exchange which, in the reasonable opinion of the Underwriter, materially adversely affects

the market for the Series 2025 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2025 Bonds to be purchased by it; or

- (j) legal action shall have been filed against the District wherein an adverse ruling would materially adversely affect the transactions contemplated hereby or by the Limited Offering Memorandum or the validity of the Series 2025 Bonds, the Bond Resolution, the Assessment Resolutions or any of the Financing Documents; provided, however, that as to any such litigation, the District may request and the Underwriter may accept an opinion by Bond Counsel, or other counsel acceptable to the Underwriter, that in such counsel's opinion the issues raised by any such litigation or proceeding are without substance or that the contentions of any plaintiffs therein are without merit; or
- (k) there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service to any of the District's obligations; or
- (l) any information shall have become known which, in the Underwriter's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Limited Offering Memorandum, as the information contained therein has been supplemented or amended by other information, or causes the Limited Offering Memorandum, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading and upon the receipt of notice of the same by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or
- (m) an event occurs as a result of which the Limited Offering Memorandum, as then amended or supplemented, would include an untrue statement of a material fact or omit to state any material fact which is necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading which, in the reasonable opinion of the Underwriter, requires an amendment or supplement to the Limited Offering Memorandum and, in the reasonable opinion of the Underwriter, materially adversely affects the marketability of the Series 2025 Bonds or the contemplated offering prices thereof and upon the receipt of notice of the same by the District, the District fails to promptly amend or supplement the Limited Offering Memorandum; or
- (n) the Internal Revenue Service makes a determination with respect to any special purpose development district formed under State law (referred to herein as a "Special District") deeming that all or certain of such Special Districts are not a "political subdivision" for purposes of Section 103(a) of the Internal Revenue Code, and such determination, in the reasonable opinion of the Underwriter, materially adversely affects the federal tax status of the District, the tax exempt character or marketability of the Series 2025 Bonds or the contemplated offering prices thereof.

10. Expenses.

- (a) The District agrees to pay from the proceeds of the Series 2025 Bonds, and the Underwriter shall be under no obligation to pay, all expenses incident to the performance of the District's obligations hereunder, including but not limited to (1) the cost of the preparation, printing or other reproduction (for distribution prior to, on or after the date of acceptance of this Purchase Agreement) of a reasonable number of copies of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum, (2) the fees and disbursements of Bond Counsel, District Counsel, Underwriter's Counsel, Governmental Management Services Central Florida, LLC, as Assessment Consultant, Honeycutt & Associates, Inc., as Consulting Engineer, and any other experts or consultants retained by the District, including, but not limited to, the fees and expenses of the District Manager and the Dissemination Agent, (3) the fees and disbursements of the Trustee, Registrar and Paying Agent under the Indenture, and (4) out-of-pocket expenses of the District.
- (b) The Underwriter shall pay (1) the cost of qualifying the Series 2025 Bonds for sale in various states chosen by the Underwriter and the cost of preparing or printing any Blue Sky and legal investment memoranda to be used in connection with such sale, and (2) out-of-pocket expenses and advertising incurred by it in connection with their offering and distribution of the Series 2025 Bonds.
- (c) In the event that either the District or the Underwriter shall have paid obligations of the other as set forth in this Section, adjustment shall be made at or prior to Closing.
- 11. <u>Notices</u>. All notices, demands and formal actions hereunder shall be in writing and mailed or otherwise delivered to:

12. <u>Parties in Interest</u>. This Purchase Agreement is made solely for the benefit of the District and the Underwriter (including the successors or assignees of the District or the Underwriter) and no other party or person shall acquire or have any right hereunder or

by virtue hereof. All representations, warranties, covenants and agreements in this Purchase Agreement shall remain operative and in full force and effect, regardless of (a) any investigations made by or on behalf of the Underwriter, (b) the delivery of and payment for the Series 2025 Bonds pursuant to this Purchase Agreement, or (c) any termination of this Purchase Agreement but only to the extent provided by the last paragraph of Section 8 hereof.

- 13. <u>Waiver</u>. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in its sole discretion.
- 14. <u>Effectiveness</u>. This Purchase Agreement shall become effective upon the execution of the acceptance hereof by the Chair and shall be valid and enforceable at the time of such acceptance.
- 15. <u>Counterparts</u>. This Purchase Agreement may be executed in several counterparts, each of which shall be regarded as a net original and all of which shall constitute one and the same document.
- **16.** <u>Headings</u>. The headings of the sections of this Purchase Agreement are inserted for convenience only and shall not be deemed to be a part hereof.
- 17. <u>Florida Law Governs</u>. The validity, interpretation and performance of this Purchase Agreement shall be governed by the laws of the State.
- 18. <u>Truth In Bonding Statement</u>. Pursuant to the provisions of Section 218.385(2) and (3), Florida Statutes, as amended, the Underwriter provides the following truth-in-bonding statement:
- (a) The District is proposing to issue \$[Bond Amount].00 of its Series 2025 Bonds for the purposes described in Section 2 hereof. This obligation is expected to be repaid over a period of approximately [30] years. At a true interest cost of approximately [TIC]%, total interest paid over the life of the obligation will be \$[_____].
- (b) The source of repayment for the Series 2025 Bonds is the Pledged Revenues (as described in Section 2 hereof). Authorizing this obligation will result in an average of approximately \$[_____] not being available to finance other services of the District every year for approximately [30] years; provided however, that in the event that the Series 2025 Bonds were not issued, the District would not be entitled to impose and collect the Series 2025 Special Assessments in the amount of the principal of and interest to be paid on the Series 2025 Bonds.
- 19. No Advisory or Fiduciary Role. The District acknowledges and agrees that (a) the purchase and sale of the Series 2025 Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the District and the Underwriter, (b) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as an advisor (including, without

limitation, a Municipal Advisor, as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act), agent or fiduciary of the District, (c) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the District with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter or any affiliate of the Underwriter has provided other services or is currently providing other services to the District on other matters) and the Underwriter has no obligation to the District with respect to the offering contemplated hereby except the obligations expressly set forth in this Purchase Agreement, (d) the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with the offering of the Series 2025 Bonds, (e) the Underwriter has financial and other interests that differ from those of the District, and (f) the District has received the Underwriter's G-17 Disclosure Letter.

20. Establishment of Issue Price.

- (a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2025 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit J, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2025 Bonds.
- (b) Except as otherwise set forth in Exhibit A attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2025 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Series 2025 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2025 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2025 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Series 2025 Bonds of that maturity or until all Series 2025 Bonds of that maturity have been sold to the public.
- (c) The Underwriter confirms that it has offered the Series 2025 Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit A attached hereto. Exhibit A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Series 2025 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2025 Bonds, the Underwriter will neither offer nor sell unsold Series 2025 Bonds of that maturity to any person at a price that is higher than the initial

offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

- (d) The Underwriter acknowledges that sales of any Series 2025 Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:
 - (1) "public" means any person other than an underwriter or a related party;
 - (2) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2025 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2025 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2025 Bonds to the public);
 - (3) a purchaser of any of the Series 2025 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and
 - (4) "sale date" means the date of execution of this Purchase Agreement by all parties.

Re: \$[Bond Amount] Tranquility Community Development District Special Assessment Bonds, Series 2025 (2025 Assessment Area) (the "Series 2025 Bonds")

Ladies and Gentlemen:

We have acted as counsel to the Tranquility Community Development District, a community development district (the "District") established pursuant to Chapter 190, Florida Statutes (the "Act"), and by Ordinance No. 4-2022, enacted by the City Council of the City of Titusville, Florida on February 22, 2022 (the "Ordinance"), in connection with the issuance by the District of the above-described Series 2025 Bonds.

The Series 2025 Bonds are being issued pursuant to the Act and a Master Trust Indenture, dated as of September 1, 2025 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of September 1, 2025, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and Resolution Nos. 2022-13 and 2025-[__], adopted by the Board of Supervisors of the District (the "Board") on March 23, 2022 and August [8], 2025, respectively (collectively, the "Bond Resolution"), authorizing the issuance of the Series 2025 Bonds. The Series 2025 Special Assessments comprising the Pledged Revenues have been levied by the District on the lands within the District specially benefited by the Series 2025 Project pursuant to Resolution Nos. 2022-14 and 2022-15 adopted by the Board on March 23, 2022, Resolution No. 2022-22 adopted by the Board on May 11, 2022, and a resolution to be adopted by the Board on September [__], 2025 (collectively, the "Assessment Resolutions").

Consistent with the requirements of the Indenture and the Act, the Series 2025 Bonds are being issued to (a) finance a portion of the Costs of the Series 2025 Project, (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Debt Service Reserve Account which account will be held for the benefit of all of the Series 2025 Bonds, and (d) pay the interest to become due on the Series 2025 Bonds through and including November 1, 2025.

In our capacity as counsel to the District, we have examined such documents as we have deemed necessary or appropriate in rendering the opinions set forth below, including, but not limited to (i) the Bond Resolution; (ii) the Assessment Resolutions (which, together with the Bond Resolution, hereinafter, the "District Resolutions"); (iii) the Indenture; (iv) the Bond Purchase Agreement, dated [BPA Date] (the "Purchase Contract"); (v) the Continuing Disclosure Agreement, dated as of [Closing Date] (the "Continuing Disclosure Agreement"); (vi) the [Completion Agreement], dated as of [Closing Date] (the "Completion Agreement"); (vii) the [Acquisition Agreement], dated as of [Closing Date] (the "Acquisition Agreement"); (viii) the [Collateral Assignment], dated as of [Closing Date] (the "Collateral Assignment"), (ix) the [Declaration of Consent to Jurisdiction], dated as of [Closing Date] (the "Declaration"); (x) the [True-Up Agreement], dated [Closing Date] (the "True-Up Agreement"), and (xi) the Preliminary Limited Offering Memorandum, dated [PLOM Date], and the final Limited Offering Memorandum, dated [BPA Date] (collectively, the "Offering Memoranda"), and such other documents as we have deemed necessary or appropriate in rendering the opinions set forth below. The Indenture, the Purchase Contract, the Continuing Disclosure Agreement, the Completion Agreement, the Acquisition Agreement, the Collateral Assignment, the Declaration, the True-Up Agreement and the Offering Memoranda shall be referred to herein as the "Financing Documents."

In rendering the following opinion, we have reviewed certified proceedings, resolutions and documents, have relied, with your approval, as to factual matters that affect our opinion, solely on our examination of such documents (and we have assumed that all statements made therein are true, complete and accurate as of the effective date hereof), and have made no verification of the facts asserted to be true and correct therein.

In rendering our opinion, we have assumed in good faith: (i) the genuineness of the signatures of all persons executing instruments or documents examined or relied upon by us (except for those of the District); (ii) the authenticity of all documents submitted to us as originals; and (iii) the conformity with the original documents of all documents submitted to us as certified or as photostatic or xerographic copies. In addition, we have relied in good faith upon certificates of public officials as to matters contained therein and upon the certificates of the District as to matters of fact. Any opinion expressed herein as being made "to the best of our knowledge" is based upon our having made due inquiry of the District or our having actual knowledge as a result of our representation of the District in other matters, but not upon our having made an independent investigation. We specifically exclude any opinion as to the applicability or effect of any federal or state laws, rules or regulations relating to taxation (including, but not limited to, the taxation of income).

Based on the foregoing, and on current laws, facts, circumstances, and upon such other information and documents furnished to us and such inquiries as we deem necessary or appropriate, and subject to the qualifications and assumptions set forth in this letter, we are of the opinion that:

- The District has been established and validly exists as a community 1. development district, is an independent local unit of special purpose government under applicable Florida law and is a political subdivision of the State of Florida. The Financing Documents and the Series 2025 Bonds have been duly authorized, executed and delivered, and assuming due execution by the other party(s) thereto, if applicable, the Financing Documents, the Series 2025 Bonds and the District Resolutions constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and transfer, and similar law affecting the rights of creditors' generally, and provided that no opinion need be expressed, nor is, as to the availability of equitable remedies). This does not mean that any particular remedy is available or enforceable upon a material default or that every provision of the referenced documents will be upheld or enforced in any or each circumstance by a court; nevertheless, subject to the bankruptcy and the equitable remedies limitations, such unenforceability will not render the Financing Documents invalid as a whole, or substantially interfere with the practical realization of the principal benefits purported to be provided by the Financing Documents.
- 2. To the best of our knowledge, there is no action, suit or proceeding at law or in equity by or before any court or public board or body pending or, to our knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds; (c) contesting or affecting, specifically as to the District, the validity or enforceability of the Act or any action of the District related to the authorization for the issuance of the Series 2025 Bonds, the District Resolutions, the Financing Documents or application of the proceeds of the Series 2025 Bonds for the purposes set forth in the Offering Memoranda; (d) specifically contesting the exclusion from federal gross income of interest on the Series 2025 Bonds; or (e) contesting the completeness or accuracy of the Offering Memoranda.
- 3. The District has duly authorized, executed (excluding the Preliminary Limited Offering Memorandum), and delivered the Offering Memoranda.
- 4. Based upon our participation in the preparation of the Offering Memoranda as District Counsel, nothing has come to our attention which would lead us to believe that statements contained in the Offering Memoranda under "INTRODUCTION," "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding information contained under the sub-caption, "District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS," "DISCLOSURE REQUIRED BY**FLORIDA BLUE** SKY REGULATIONS," "VALIDATION," "LITIGATION District," "CONTINUING DISCLOSURE" (as it relates to the District), "LEGALITY FOR INVESTMENT," and "AGREEMENT BY THE STATE," contains an untrue statement of a material fact or omits to state any material fact necessary to make the statements, in light of the circumstances under which they were made, not misleading.

- 5. The District is not, to the best of our knowledge, in any manner material to the issuance of the Series 2025 Bonds, the adoption of the Assessment Resolutions, or the execution and delivery of the Financing Documents, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or, to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state "Blue Sky" or other securities laws.
- Occuments, and the adoption of the District Resolutions and compliance with the provisions on the District's part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Series 2025 Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Series 2025 Bonds or the Financing Documents.
- 7. To the best of our knowledge, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Offering Memoranda and contemplated by the Financing Documents required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, any state "Blue Sky" or other securities laws. Further, except as otherwise described in the Offering Memoranda, (a) we have no knowledge that the Landowner has not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Series 2025 Project and the lands in the District as described in the Offering Memoranda; (b) we have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Landowner's ability to complete development of the Series 2025 Project and the lands in the District as described in the Offering Memoranda and all appendices thereto; and (c) we have no knowledge and are not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the lands in the District as described in the Offering Memoranda will not be obtained in due course as required by the Landowner.
- 8. The District has the right and authority under the Act and other state law to adopt the District Resolutions, to issue the Series 2025 Bonds, and to levy the Series 2025

D-4

Special Assessments that will secure the Series 2025 Bonds and has duly adopted the District Resolutions.

- 9. All proceedings undertaken by the District with respect to the Series 2025 Special Assessments were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Series 2025 Special Assessments. The Series 2025 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2025 Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other non-federal tax liens, titles and claims, until paid.
- 10. The Bonds have been validated by a final judgment of the Eighteenth Circuit Court in and for Brevard County, Florida, of which no timely appeal was filed.
- 11. The District has the full power and authority to own and operate the Series 2025 Project to the extent not to be conveyed to another governmental entity.
- 12. All conditions prescribed in the Indenture and the Purchase Contract to be performed by the District as precedent to the issuance of the Series 2025 Bonds have been fulfilled.

We do not express any opinion herein concerning any laws other than the laws of the State of Florida and the federal laws of the United States of America. To the extent that the opinions expressed herein relate to or are dependent upon the determination that the interest on the Series 2025 Bonds is excluded from gross income of the owners of the Series 2025 Bonds for federal income tax purposes, we understand that you are relying upon the opinion of Bryant Miller Olive P.A. delivered on the date hereof, and no opinion is expressed herein as to such matters.

This opinion is rendered solely in connection with the transaction to which this opinion relates, as contemplated by the Indenture and the Financing Documents. This opinion may be relied upon by you only in connection with this transaction and may not be relied upon by any other person or entity (regardless of whether such other person or entity is related or affiliated with you), nor used for any other purpose or published in whole or part, in each instance, without, in each instance, our prior written consent.

Sincerely,

Mark A. Watts COBB COLE

The Landowner acknowledges that the Series 2025 Bonds have the debt service requirements set forth in the Limited Offering Memorandum and that the Series 2025 Special Assessments will be levied by the District at times, and in amounts sufficient, to enable the District to pay debt service on the Series 2025 Bonds when due.
- 11. To the best of my knowledge, the Landowner is not in default under any other resolution, ordinance, agreement or indenture, mortgage, lease, deed of trust, note or other instrument to which the Landowner is subject or by which the Landowner or its properties are or may be bound, which would have a material adverse effect on the consummation of the transactions contemplated by the Financing Documents or on the Development, and further, the Landowner is current in the payment of all ad valorem, federal and state taxes associated with the Development.
- 12. Except as otherwise disclosed in the Limited Offering Memoranda, there is no action, suit or proceeding at law or in equity by or before any court or public board or body pending or, solely to the best of our knowledge, threatened against the Landowner (or any basis therefor) (a) seeking to restrain or enjoin the execution or delivery of the Financing

Documents to which the Landowner is a party, (b) contesting or affecting the validity or enforceability of the Financing Documents, or any and all such other agreements or documents as may be required to be executed, or the transactions contemplated thereunder, or (c) contesting or affecting the establishment or existence of the Landowner, or of the Landowner's business, assets, property or conditions, financial or otherwise, or contesting or affecting any of the powers of the Landowner.

- 13. To the best of my knowledge after due inquiry, the Landowner is in compliance in all material respects with all provisions of applicable law in all material matters relating to the Development as described in the Limited Offering Memoranda, including applying for all necessary permits. Except as otherwise described in the Limited Offering Memoranda, (a) the Development is zoned and properly designated for its intended use, (b) all government permits other than certain permits, which permits are expected to be received as needed, have been received, (c) the Landowner is not aware of any default of any zoning condition, permit or development agreement which would adversely affect the Landowner's ability to complete or cause the completion of development of the Development as described in the Limited Offering Memoranda and all appendices thereto, and (d) there is no reason to believe that any permits, consents and licenses required to complete the Development as described in the Limited Offering Memoranda will not be obtained as required.
- 14. The Landowner acknowledges that it will have no rights under Chapter 170, Florida Statutes, to prepay, without interest, the Series 2025 Special Assessments imposed on lands in the District owned by the Landowner within thirty (30) days following completion of the Series 2025 Project and acceptance thereof by the District.
- 15. The Landowner has never failed to timely comply with disclosure obligations pursuant to SEC Rule 15c2-12, other than as noted in the Limited Offering Memorandum under the heading "CONTINUING DISCLOSURE" and the Landowner is not insolvent.

FORM OF OPINION OF COUNSEL TO LANDOWNER

[Closing Date]

Tranquility Community Development District Titusville, Florida

MBS Capital Markets, LLC Winter Park, Florida

Re: \$[Bond Amount] Tranquility Community Development District Special Assessment Bonds, Series 2025 (2025 Assessment Area) (the "Bonds")

Ladies and Gentlemen:

I am counsel to Carolina Holdings II, LLC, a Nevada limited liability company and Sunbelt Titusville Investments, LLC, a Nevada limited liability company (together, the "Landowner"), in connection with the issuance by Tranquility Community Development District (the "District") of the above-referenced Bonds as described in the District's Preliminary Limited Offering Memorandum, dated [PLOM Date] (the "Preliminary Limited Offering Memorandum"), and the Limited Offering Memorandum, dated [BPA Date] (the "Limited Offering Memorandum"). Unless otherwise expressly defined herein, capitalized terms used herein have the respective meanings assigned to them in the Limited Offering Memorandum or in the Bond Purchase Agreement between the District and MBS Capital Markets, LLC, dated [BPA Date].

In my capacity as counsel to the Landowner, I have examined such documents and have made such examination of laws as I have deemed necessary or appropriate in rendering the opinions set forth below.

In basing my opinions and other matters set forth herein on "my knowledge", the words "my knowledge" signify that, in the course of my role as counsel to the Landowner, no information has come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate or that any of the foregoing documents, certificates, reports, and information on which I have relied are not accurate and complete. Except as otherwise stated herein, I have undertaken no independent investigation or verification of such matters.

In my representation of the Landowner, I have examined only the documents provided to me in rendering the opinions set forth below. I have further relied upon certificates and representations made by the Landowner, the Landowner's representatives and the parties to this transaction described in the Limited Offering Memorandum.

In rendering this opinion, I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons. As to any fact relevant to this opinion, I have

relied solely upon representations of the Landowner and its engineers. Except to the extent expressly set forth herein, I have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to my knowledge of the existence of such facts should be drawn from the fact of my representation of the Landowner.

This opinion is submitted with the following qualifications:

- 1. With respect to the enforceability of obligations under any instruments, all rights and remedies may be limited by (a) the Bankruptcy Code, insolvency, reorganization and moratorium laws and other laws, state or federal, now or hereafter in effect, which generally affect the enforcement of mortgagees' and creditors' rights, and (b) general equitable principles which limit specific enforcement of or indemnification provisions in the documents, or which provide for the appointment of a receiver.
- 2. I have further assumed that all documents which we have examined are binding upon the District and/or the Trustee, as applicable, so that all such instruments have mutuality of binding effect, and, in such connection, I have assumed proper corporate power, due authorization, execution and delivery by the District and the Trustee.
- 3. No opinion is expressed herein with respect to the Federal securities laws or the securities laws of the State of Florida.
- 4. This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any matter, nor used, by any other persons or entities.
- 5. With respect to any opinion concerning certain land uses, zoning, permits, and approvals obtained with respect to the Development, I point out that in many cases zoning and land use codes are subject to varying interpretations and internal and it is not possible to render opinions as a matter of law regarding the manner in which certain requirements of the comprehensive land use statutes or the applicable county zoning and land use codes may be applied or enforced in any particular instance.

Based upon and subject to the assumptions, limitations and qualifications contained herein, I am of the opinion that, as of this date:

- 1. Each entity constituting the Landowner is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Nevada and authorized to do business in the State of Florida.
- 2. The Landowner has the power and authority to conduct its business. In addition, Carolina Holdings II, LLC has the power and authority to undertake the development of the Development as described in the Limited Offering Memorandum.
- 3. The execution, delivery, and performance by the Landowner of the Financing Documents to which it is a party (the "Landowner Documents"), and any other documents to which it is a party contemplated within, or required by, the Landowner Documents, are within the Landowner's power and authority and have been duly authorized by all required company action.

- 4. The Landowner Documents are each in full force and effect, are the legal, valid, and binding obligations of the Landowner, enforceable in accordance with their respective terms, and to my knowledge no event has occurred under such instruments which constitutes, or which with the passage of time, the giving of notice, or both, would constitute, an event of default thereunder.
- 5. The execution and delivery by the Landowner of the Landowner Documents do not violate (a) the Landowner's organizational and operating documents, (b) any agreement, instrument or federal or Florida law, rule or regulation known to us to which the Landowner is a party or by which the Landowner's assets are or may be bound, or (c) any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Landowner or its assets.
- 6. The Landowner is not in default under its organizational or operating documents or under its company resolutions and/or affidavits, and, to my knowledge, no notice of default has been received from any applicable governmental authority having jurisdiction over the Development, which default would have a material adverse effect on the Bonds or the Development.
- 7. To my knowledge, the Landowner is not in default under any mortgage, trust indenture, lease, or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Bonds or the Development.
- 8. The levy of the Series 2025 Special Assessments on the lands within the Development that are owned by the Landowner to secure the repayment of the Bonds (the "Landowner Lands") will not conflict with or constitute a breach of or default under any existing agreement, indenture, or other instrument to which the Landowner is a party or to which its property or assets is subject.
- 9. To my knowledge, there is no action, suit or proceeding at law or in equity by or before any court or public board or body pending or threatened against the Landowner: (a) seeking to restrain or enjoin the Landowner from executing and delivering the Landowner Documents; (b) contesting the validity or enforceability of the Landowner Documents or the transactions contemplated thereunder; (c) contesting or affecting the existence of the Landowner or the election or appointment of any of its officers or members; or (d) contesting or affecting any of the corporate powers of the Landowner which would impact its assets or financial condition in such manner as to materially adversely affect the Landowner's ability to perform its obligations under the Landowner Documents as to the development of the Development as described in the Limited Offering Memorandum.
- 10. The Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Landowner has not indicted its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver, or any trustee.

- 11. Nothing has come to my attention that would lead me to believe that the information contained in the Limited Offering Memorandum under the captions "THE LANDOWNER AND THE DEVELOPER" and "THE DEVELOPMENT" and, as it pertains to the Landowner, "LITIGATION" and "CONTINUING DISCLOSURE," does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading as of the date of the Limited Offering Memorandum and as of the date hereof.
- 12. The property on which the Landowner will construct the Series 2025 Project is zoned and, to my knowledge has, or will have in the ordinary course of business, all other approvals and permits to permit the construction of the Series 2025 Project as described in the Limited Offering Memorandum. Except as disclosed in the Limited Offering Memorandum, to my knowledge, there is no default by the Landowner of any zoning condition, permit or development agreement which would adversely affect the Landowner's ability to complete construction of the Series 2025 Project or development of the Development as described in the Limited Offering Memorandum.
- 13. Based on a review of that certain title opinion, dated [_____] (the "Title Report") and without independent inquiry, fee simple title to the Landowner Lands on which the Series 2025 Project will be developed is held by the Landowner and is subject only to the liens, encumbrances, easements and agreements set forth in such Title Report, none of which will impede in any material respect the development of the Development as described in the Limited Offering Memorandum or the development of the infrastructure needed for the Development. The opinion in this paragraph is given as of the date of the Title Report and, to the best of my knowledge as of the date hereof, there has been no material change thereto since the date of the Title Report.
- 14. Based upon my review of the published tax records of Brevard County, Florida, all 2024 and prior year taxes relating to the Landowner Lands have been paid and there are no real estate taxes currently due which are unpaid.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, or used, by any other persons or entities.

Sincerely,

William I. Livingston, Esquire Florida Bar No. 0163403

FORM OF ISSUE PRICE CERTIFICATE

TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT \$[Bond Amount] Special Assessment Bonds, Series 2025 (2025 Assessment Area)

The undersigned, on behalf of MBS CAPITAL MARKETS, LLC ("MBS"), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Series 2025 Bonds"). Capitalized terms shall have the meanings ascribed in Section 2 hereof.

MBS and the District entered into a Bond Purchase Agreement on the Sale Date in connection with the sale of the Series 2025 Bonds (the "Purchase Agreement"). Pursuant to the terms of the Purchase Agreement, MBS made a bona fide limited offering of the Series 2025 Bonds to a portion of the Public representing accredited investors as required by Florida law at the prices or yields for each such maturity as shown on the cover page of the Limited Offering Memorandum, dated [BPA Date], relating to the Series 2025 Bonds.

- 1. <u>Sale of the Series 2025 Bonds</u>. As of the date of this certificate, for each Maturity of the Series 2025 Bonds, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in <u>Schedule A</u>.
 - 2. <u>Defined Terms</u>.
 - (a) District means Tranquility Community Development District.
- (b) Maturity means Series 2025 Bonds with the same credit and payment terms. Series 2025 Bonds with different maturity dates, or Series 2025 Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.
- (c) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.
- (d) Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the Series 2025 Bonds. The Sale Date of the Series 2025 Bonds is [BPA Date].
- (e) Underwriter means (i) any person that agrees pursuant to a written contract with the District to participate in the initial sale of the Series 2025 Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Series 2025 Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2025 Bonds to the Public).

3. Reserve Account. A reserve account in an amount equal to the Series 2025 Debt Service Reserve Requirement was necessary in order to market and sell the Series 2025 Bonds given the nature of the Series 2025 Bonds which are secured by special assessments and the delinquent assessment collection procedures related thereto.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents MBS' interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the Arbitrage Certificate executed by the District in connection with the issuance, sale and delivery of the Series 2025 Bonds and with respect to compliance with the federal income tax rules affecting the Series 2025 Bonds, and by Bond Counsel in connection with rendering its opinion that the interest on the Series 2025 Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Series 2025 Bonds.

In the opinion of Bond Counsel, assuming compliance by the District with certain covenants, under existing statutes, regulations, and judicial decisions, the interest on the Series 2025 Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and is not an item of tax preference for purposes of the federal alternative minimum tax; however, interest on the Series 2025 Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations. See "TAX MATTERS" herein for a description of other tax consequences to holders of the Series 2025 Bonds.

LIMITED OFFERING MEMORANDUM

relating to

TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT (City of Titusville, Florida) \$6,790,000* Special Assessment Bonds, Series 2025 (2025 Assessment Area)

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices hereto, is to set forth certain information concerning the Tranquility Community Development District (the "District") in connection with the offering and issuance by the District of its \$6,790,000* Tranquility Community Development District Special Assessment Bonds, Series 2025 (2025 Assessment Area) (the "Series 2025 Bonds").

The Series 2025 Bonds are being issued pursuant to the Act (hereinafter defined), a Master Trust Indenture dated as of September 1, 2025 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture dated as of September 1, 2025, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and resolutions adopted by the Board of Supervisors of the District (the "Board") on March 23, 2022 and August [8], 2025, authorizing the issuance of the Series 2025 Bonds. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and established by Ordinance No. 4-2022, enacted by the City Council of the City of Titusville, Florida (the "City") on February 22, 2022 (the "Ordinance"). See "THE DISTRICT" herein. The District was established for the purpose, among other things, of financing and managing the design, acquisition, construction, maintenance, and operation of systems, facilities and basic infrastructure within and without the boundaries of the premises to be governed by the District.

The boundaries of the District include approximately 346 acres of land (the "District Lands") located entirely within the City within Brevard County, Florida (the "County"), anticipated to be developed into 2,404 residential units, 280,000 square feet of commercial space, a 270-rooom hotel, various recreational amenities and a marina. Of the 2,404 residential units planned within the District, 269 single-family residential units within the first three (3) phases of the District ("Phases 1 through 3") will be subject to the Series 2025 Special Assessments (hereinafter defined) securing the Series 2025 Bonds (such 269 single-family residential units hereinafter referred to as the "2025 Assessment Area"). The capital improvement program for the District (the "CIP") consists of certain infrastructure

improvements for the benefit of the District Lands, including onsite and offsite roadway improvements, stormwater management, water and sewer, parks, open space and amenities, landscaping and irrigation, and mitigation. The portion of the CIP benefiting Phases 1 through 3 is hereinafter referred to as the "Series 2025 Project." See "THE CAPITAL IMPROVEMENT PROGRAM AND THE SERIES 2025 PROJECT" and "THE DEVELOPMENT" herein.

The Act authorizes the District to issue bonds for the purposes, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, district roads, recreational facilities and other basic infrastructure projects within or without the boundaries of the District, all as provided in the Act.

Under the Constitution and laws of the State of Florida (the "State"), including the Act, the District has the power and authority to levy non-ad valorem assessments upon the District Lands and to issue bonds for the purposes of providing community development services and facilities, including those financed with the proceeds of the Series 2025 Bonds as described herein.

Consistent with the requirements of the Indenture and the Act, the Series 2025 Bonds are being issued to (a) finance a portion of the Costs of the Series 2025 Project, (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Debt Service Reserve Account which account will be held for the benefit of all of the Series 2025 Bonds, and (d) pay the interest to become due on the Series 2025 Bonds through and including November 1, 2025.

The Series 2025 Bonds are payable from and secured by the Pledged Revenues, which is defined in the Supplemental Indenture to mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on that portion of the District Lands benefited by the Series 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture; provided, however, that Pledged Revenues shall not include (A) any moneys transferred to the Rebate Fund, or investment earnings thereon, and (B) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A) and (B) of this proviso).

"Series 2025 Special Assessments" is defined in the Supplemental Indenture to mean the Special Assessments levied on that portion of the District Lands specially benefitted by the Series 2025 Project or any portion thereof, which assessments correspond in amount to the debt service on the Series 2025 Bonds.

"Special Assessments" is defined in the Master Indenture to mean (a) the net proceeds derived from the levy and collection of "special assessments," as provided for in Sections

190.011(14) and 190.022 of the Act (except for any such special assessments levied and collected for operation and maintenance purposes), against the District Lands that are subject to assessment as a result of a particular Project or any portion thereof, and (b) the net proceeds derived from the levy and collection of "benefit special assessments," as provided for in Section 190.021(2) of the Act, against the District Lands that are subject to assessment as a result of a particular Project or any portion thereof, and in the case of both "special assessments" and "benefit special assessments," including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act and Chapter 170, Florida Statutes, and Chapter 197, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection of such assessments or from the issuance and sale of tax certificates with respect to such assessments, less (to the extent applicable) the fees and costs of collection thereof payable to the Tax Collector (hereinafter defined) and less certain administrative costs payable to the Property Appraiser (hereinafter defined) pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act.

The Series 2025 Special Assessments represent an allocation of the costs of the Series 2025 Project, including bond financing costs, to certain of the District Lands benefiting from the Series 2025 Project in accordance with the Assessment Report (hereinafter defined). The Assessment Report and Assessment Resolutions (collectively, the "Assessment Proceedings") permit the prepayment in part or in full of the Series 2025 Special Assessments at any time without penalty, together with interest at the rate on the corresponding Series 2025 Bonds to the Quarterly Redemption Date that is more than forty-five (45) days next succeeding the date of prepayment. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto.

Subsequent to the issuance of the Series 2025 Bonds, the District may cause one or more Series of Bonds to be issued pursuant to the Master Indenture, subject to the terms and conditions thereof. Bonds may be issued for the purpose of financing the Cost of acquisition or construction of a Project or to refund all or a portion of a Series of Bonds. The District covenants and agrees in the Supplemental Indenture that other than Bonds issued to refund the Outstanding Series 2025 Bonds, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Pledged Revenues. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2025 Bonds are Outstanding, the District will not impose debt service Special Assessments for capital projects on any lands then subject to the Series 2025 Special Assessments without the written consent of the Majority Owners; provided, however, such consent shall not be required if the Series 2025 Special Assessments have been Substantially Absorbed, evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely. The Trustee shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed and in the absence of a certification as provided above can assume that the Series 2025 Special Assessments have not been Substantially Absorbed. Notwithstanding the foregoing, the District is not precluded from imposing capital assessments (or the issuance of Bonds secured by such capital assessments) on property then subject to the Series 2025 Special Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which a principal amount of the Series 2025 Special Assessments equaling at least ninety percent (90%) of the then Outstanding principal amount of the Series 2025 Bonds are levied on the District Lands with respect to which a certificate of occupancy has been issued for a structure thereon. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – No Parity Bonds; Limitation on Parity Liens" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Development (hereinafter defined) and the 2025 Assessment Area, together with summaries of the terms of the Series 2025 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes and all references to the Series 2025 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

SUITABILITY FOR INVESTMENT

Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or MBS Capital Markets, LLC (the "Underwriter"), to give any information or make any representations, other than those contained in this Limited Offering Memorandum. Additional information will be made available to each prospective investor, including the benefit of a site visit to the District, and the opportunity to ask questions of the District, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Series 2025 Bonds. Prospective investors are encouraged to request such additional information, visit the District and ask such questions.

While the Series 2025 Bonds are not subject to registration under the Securities Act of 1933, as amended (the "Securities Act"), the Underwriter has determined that the Series 2025 Bonds are not suitable for investment by persons other than, and, as required by Chapter 189, Florida Statutes, will offer the Series 2025 Bonds only to, "accredited investors," as such term is defined in Chapter 517, Florida Statutes, and the rules promulgated thereunder. However, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

DESCRIPTION OF THE SERIES 2025 BONDS

The Series 2025 Bonds are issuable as fully registered bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof; provided however, that the Series 2025 Bonds shall be delivered to the initial purchasers thereof in aggregate principal amounts of \$100,000 or integral multiples of \$5,000 in excess of \$100,000.

The Series 2025 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the cover page of this Limited Offering Memorandum.

Interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Interest on the Series 2025 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to November 1, 2025, in which case from the date of original issuance of the Series 2025 Bonds, or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date.

Except as otherwise provided in the Supplemental Indenture in connection with a book-entry only system of registration of the Series 2025 Bonds, the principal or Redemption Price of the Series 2025 Bonds shall be payable in lawful money of the United States of America at the designated corporate trust office of the Paying Agent upon presentation of such Series 2025 Bonds. Except as otherwise provided in the Supplemental Indenture in connection with a book-entry only system of registration of the Series 2025 Bonds, the payment of interest on the Series 2025 Bonds shall be made on each Interest Payment Date to the Owners of the Series 2025 Bonds by check or draft drawn on the Paying Agent and mailed on the applicable Interest Payment Date to each Owner as such Owner appears on the Bond Register maintained by the Registrar as of the close of business on the Regular Record Date, at such Owner's address as it appears on the Bond Register. Any interest on any Series 2025 Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called "Defaulted Interest") shall be paid to the Owner in whose name the Series 2025 Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to such mailing, at his address as it appears in the Bond Register not less than ten (10) days prior to such Special Record Date. The foregoing notwithstanding, any Owner of Series 2025 Bonds in an aggregate principal amount of at least \$1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Paying Agent, upon requesting the same in a writing received by the Paying Agent at least fifteen (15) days prior to the relevant Interest Payment Date, which writing shall specify the bank, which shall be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Paying Agent at least fifteen (15) days prior to the relevant Interest Payment Date.

The Series 2025 Bonds will initially be registered in the name of Cede & Co. as nominee for The Depository Trust Company ("DTC"), which will act initially as securities depository for the Series 2025 Bonds and, so long as the Series 2025 Bonds are held in bookentry only form, Cede & Co. will be considered the registered Owner for all purposes hereof. See "– Book-Entry Only System" below for more information about DTC and its book-entry only system.

Notice of Redemption

When required to redeem or purchase Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed at least twenty (20) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Master Indenture. Such notice shall be given in the name of the District, shall be dated, shall set forth the Series 2025 Bonds Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information: (a) the redemption or purchase date; (b) the redemption or purchase price; (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters; (d) if less than all Outstanding Series 2025 Bonds to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2025 Bonds to be redeemed or purchased; (e) that on the redemption or purchase date the redemption or purchase price will become due and payable upon surrender of each such Series 2025 Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; (f) the place where such Series 2025 Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee; and (g) any condition or conditions to be met prior to the redemption of the Series 2025 Bonds, including, but not limited to receipt of funds sufficient to accomplish the redemption of the Series 2025 Bonds.

Book-Entry Only System

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKE ANY REPRESENTATION OR WARRANTY OR TAKE ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2025 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission ("SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025

Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2025 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE **ANY** RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2025 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2025 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

The Series 2025 Bonds are payable from and secured by the Pledged Revenues, which is defined in the Supplemental Indenture to mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on that portion of the District Lands benefited by the Series 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Indenture; provided, however, that Pledged Revenues shall not include (A) any moneys transferred to the Rebate Fund, or investment earnings thereon, and (B) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A) and (B) of this proviso).

The Series 2025 Special Assessments represent an allocation of the costs of the Series 2025 Project, including bond financing costs, to the District Lands benefiting from the Series 2025 Project in accordance with the Assessment Report, which is attached hereto as composite APPENDIX B.

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2025

SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

No Parity Bonds; Limitation on Parity Liens

The District covenants and agrees in the Supplemental Indenture that other than Bonds issued to refund the Outstanding Series 2025 Bonds, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Pledged Revenues. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2025 Bonds are Outstanding, the District will not impose debt service Special Assessments for capital projects on any lands then subject to the Series 2025 Special Assessments without the written consent of the Majority Owners; provided, however, such consent shall not be required if the Series 2025 Special Assessments have been Substantially Absorbed, evidence of which shall be provided by the District to the Trustee in a written certificate upon which the Trustee may conclusively rely. The Trustee shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed and in the absence of a certification as provided above can assume that the Series 2025 Special Assessments have not been Substantially Absorbed. Notwithstanding the foregoing, the District is not precluded from imposing capital assessments (or the issuance of Bonds secured by such capital assessments) on property then subject to the Series 2025 Special Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which a principal amount of the Series 2025 Special Assessments equaling at least ninety percent (90%) of the then Outstanding principal amount of the Series 2025 Bonds are levied on the District Lands with respect to which a certificate of occupancy has been issued for a structure thereon.

WHILE NO FUTURE ADDITIONAL BONDS WILL BE PAYABLE FROM OR SECURED BY THE SERIES 2025 SPECIAL ASSESSMENTS PLEDGED AS SECURITY FOR THE SERIES 2025 BONDS, THE DISTRICT, THE CITY, THE COUNTY, THE SCHOOL BOARD OF BREVARD COUNTY, FLORIDA, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF MAY IN THE FUTURE IMPOSE, LEVY AND COLLECT ASSESSMENTS AND TAXES THE LIENS OF WHICH WILL BE CO-EQUAL WITH THE LIEN OF SPECIAL ASSESSMENTS WHICH INCLUDES THE SERIES 2025 SPECIAL ASSESSMENTS SECURING THE SERIES 2025 BONDS. See "— Enforcement and Collection of Series 2025 Special Assessments" below.

Series 2025 Debt Service Reserve Account

Pursuant to the Master Indenture, the Trustee shall establish an Account within the Debt Service Reserve Fund designated as the "Series 2025 Debt Service Reserve Account." The Series 2025 Debt Service Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Debt Service Reserve Requirement. "Series 2025 Debt Service Reserve Requirement" is defined in the Supplemental Indenture to mean initially an amount equal to 100% of the maximum annual Debt Service Requirements for all

Outstanding Series 2025 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions are met, at which time and thereafter the Series 2025 Debt Service Reserve Requirement shall be an amount equal to fifty percent (50%) of the maximum annual Debt Service Requirements for all Outstanding Series 2025 Bonds. On the date of initial issuance of the Series 2025 Bonds, the Series 2025 Debt Service Reserve Requirement shall be \$______.

"Reserve Account Release Conditions" is defined in the Supplemental Indenture to mean, collectively, that (a) all homes subject to the Series 2025 Special Assessments have been built, sold and closed with end-users, (b) all Series 2025 Special Assessments are being collected pursuant to the Uniform Method (hereinafter defined), and (c) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2025 Bonds. Upon satisfaction of the Reserve Account Release Conditions, a Responsible Officer shall provide a written certification to the Trustee certifying that the events in clauses (a) and (b) have occurred and affirming clause (c) on which certifications the Trustee may conclusively rely (collectively, the "Reserve Release Certifications").

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2025 Debt Service Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account and the Series 2025 Sinking Fund Account to pay Debt Service Requirements on the Series 2025 Bonds, when due, to the extent the moneys on deposit in such Accounts and available therefor are insufficient and for no other purpose.

Upon satisfaction of the Reserve Account Release Conditions, a Responsible Officer of the District shall provide the Reserve Release Certifications to the Trustee, upon which certifications the Trustee may conclusively rely, and thereupon a Responsible Officer of the District shall recalculate the Series 2025 Debt Service Reserve Requirement and instruct the Trustee to transfer any excess as a result of having met such Reserve Account Release Conditions to the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund to be used for the purposes of such Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the District shall recalculate the Series 2025 Debt Service Reserve Requirement taking into account any Series 2025 Prepayment Principal on deposit in the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund and shall direct the Trustee in writing to transfer any amount on deposit in the Series 2025 Debt Service Reserve Account in excess of the Series 2025 Debt Service Reserve Requirement as a result of such Series 2025 Prepayment Principal to the Series 2025 Prepayment Account as a credit against the Series 2025 Prepayment otherwise required to be made by the owner of such lot or parcel. Following the foregoing transfer, such amounts in the Series 2025 Prepayment Account shall be applied to the extraordinary mandatory redemption of the Series 2025 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2025 Debt Service Reserve Account sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest on such Series 2025 Bonds to the earliest date of redemption permitted therein and in the Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2025 Debt Service Reserve Account into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest date permitted for redemption therein and in the Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2025 Debt Service Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of delinquent Series 2025 Special Assessments.

Earnings on investments in the Series 2025 Debt Service Reserve Account shall be disposed of as follows:

- (a) if as of the last date on which amounts on deposit in the Series 2025 Debt Service Reserve Account were valued by the Trustee there was a deficiency in the Series 2025 Debt Service Reserve Account, or if after such date withdrawals have been made from the Series 2025 Debt Service Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Debt Service Reserve Account shall be deposited to the credit of the Series 2025 Debt Service Reserve Account until the amounts on deposit therein equal the Series 2025 Debt Service Reserve Requirement; and
- (b) as long as no notice of an Event of Default under the Indenture has been delivered to the Trustee or if such Event of Default described in a notice has been cured or waived as provided in the Master Indenture, and the amount in the Series 2025 Debt Service Reserve Account is not reduced below the then Series 2025 Debt Service Reserve Requirement, then earnings on investments in such Account shall be applied as follows: (i) prior to the Completion Date of the Series 2025 Project, to the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund; and (ii) on and after the Completion Date of the Series 2025 Project, to the Series 2025 Revenue Account of the Revenue Fund. Upon the occurrence and continuance of an Event of Default, earnings on investments in the Series 2025 Debt Service Reserve Account shall remain therein.

Series 2025 Revenue Account

Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2025 Revenue Account." The Trustee shall deposit into the Series 2025 Revenue Account the Pledged Revenues, other than Series 2025 Prepayment Principal, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund, and any other revenues required by other provisions of the Indenture to be deposited therein. The Trustee may conclusively rely on the assumption that, unless otherwise instructed in writing by the District at the time of deposit to the Trustee, Pledged Revenues paid to the Trustee shall be deposited into the Series 2025 Revenue Account, and that Pledged Revenues which the District informs the Trustee constitute Series 2025 Prepayment Principal shall be deposited into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date with respect to the Series 2025 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Account, an amount sufficient to increase the amount on deposit therein to the next highest integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay the Debt Service Requirements coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Account in accordance with the provisions for extraordinary mandatory redemption of the Series 2025 Bonds set forth in the Indenture.

Following the foregoing transfers, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account of the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, no later than the Business Day preceding each May 1 and November 1, to the Series 2025 Interest Account, an amount equal to the interest on the Series 2025 Bonds due on such May 1 or November 1, less any amounts on deposit in the Series 2025 Interest Account representing Capitalized Interest in accordance with the Supplemental Indenture and less any other amounts already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, to the Series 2025 Sinking Fund Account, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next succeeding each Interest Payment Date, to the Series 2025 Debt Service Reserve Account an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Debt Service Reserve Requirement;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not an Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the following paragraph, the balance of any moneys remaining after making the foregoing deposits shall remain in the Series 2025 Revenue Account unless pursuant to the Arbitrage Certificate it is necessary to make a deposit into the Rebate Fund, in which case the District shall direct the Trustee in writing to make such deposit thereto.

On or after each November 2, the balance on deposit in the Series 2025 Revenue Account on such November 2 shall (a) before the Completion Date of the Series 2025 Project,

be transferred into the Series 2025 Acquisition and Construction Account, and (b) on and after the Completion Date of the Series 2025 Project, be paid over to the District at the written direction of a Responsible Officer and used for any lawful purpose of the District; provided, however, that on the date of either such proposed transfer the Trustee shall not have received written notice of an Event of Default under the Indenture relating to the Series 2025 Bonds, and all Trustee's fees and expenses relating to the Series 2025 Bonds shall have been paid.

Series 2025 Bond Redemption Fund

Pursuant to the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Fund designated as the "Series 2025 Bond Redemption Fund" and within such Fund, a "Series 2025 General Account" and a "Series 2025 Prepayment Account." Except as otherwise provided in the Supplemental Indenture, moneys to be deposited into the Series 2025 Bond Redemption Fund, as provided in Article VI of the Master Indenture, shall be deposited to the Series 2025 General Account of the Series 2025 Bond Redemption Fund. Series 2025 Prepayments shall be identified as such by the District to the Trustee to then be deposited directly into the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund, as provided in the Indenture.

Moneys in the Series 2025 General Account (including all earnings on investments held therein) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, to make such deposits into the Rebate Fund for the Series 2025 Bonds, if any, as the District may direct in writing in accordance with the Arbitrage Certificate, such moneys thereupon to be used solely for the purposes specified in the Arbitrage Certificate. Any moneys so transferred from the Series 2025 General Account to the Rebate Fund shall thereupon be free from the lien and pledge of the Indenture; and

SECOND, the remainder to be utilized by the Trustee, at the written direction of a Responsible Officer, to call for redemption such Series 2025 Bonds that are subject to optional redemption pursuant to the Supplemental Indenture such amount of Series 2025 Bonds as, with the redemption premium, may be practicable; provided, however, that not less than \$5,000 principal amount of Series 2025 Bonds shall be called for redemption at one time.

Moneys in the Series 2025 Prepayment Account of the Series 2025 Bond Redemption Fund (including all earnings on investments therein) shall be accumulated therein to be used to call for extraordinary mandatory redemption pursuant to the Supplemental Indenture an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Account pursuant to the aforesaid provision, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in the Supplemental Indenture.

Series 2025 Acquisition and Construction Account

The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account."

Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account in the amounts set forth in the Supplemental Indenture, together with any excess moneys transferred to the Series 2025 Acquisition and Construction Account. Such moneys in the Series 2025 Acquisition and Construction Account shall be applied as set forth in the Indenture to pay costs to acquire and/or construct portions of the Series 2025 Project, or as otherwise provided in the Supplemental Indenture after the Completion Date. Each requisition shall substantially be in the form of requisition attached as Exhibit D to the Master Indenture. The Trustee shall have no duty to review the requisition to determine if the amount requested is for payment of a cost permitted under the Indenture. After the Completion Date of the Series 2025 Project, which shall not occur until the satisfaction of the Reserve Account Release Conditions and after transferring any resulting excess Series 2025 Debt Service Reserve Requirement from the Series 2025 Debt Service Reserve Account to the Series 2025 Acquisition and Construction Account, and after retaining in the Series 2025 Acquisition and Construction Account the amount, if any, of all remaining unpaid Costs of any portion of the Series 2025 Project set forth in the Consulting Engineer's Certificate establishing such Completion Date, any funds remaining in the Series 2025 Acquisition and Construction Account shall be transferred to and deposited into the Series 2025 General Account of the Series 2025 Bond Redemption Fund and applied to the extraordinary mandatory redemption of the Series 2025 Bonds, and the Series 2025 Acquisition and Construction Account shall be closed. Earnings on investments in the Series 2025 Acquisition and Construction Account shall remain therein. The Series 2025 Acquisition and Construction Account shall remain open until the Reserve Account Release Conditions have been satisfied.

In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District acknowledges in the Supplemental Indenture that the Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (a) the Pledged Revenues may not be used by the District (whether to pay Costs of the Series 2025 Project or otherwise) without the consent of the Majority Owners of the Series 2025 Bonds, except to the extent that prior to the occurrence of an Event of Default the District had incurred a binding obligation with third parties for work on the Series 2025 Project and payment is for such work, and (b) the Pledged Revenues may be used by the Trustee, at the written direction or with the written approval of the Majority Owners of the Series 2025 Bonds, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture or as otherwise provided in the Master Indenture.

Other Funds and Accounts

The Trustee shall establish a separate subaccount within the Series 2025 Acquisition and Construction Account designated as the "Series 2025 Costs of Issuance Subaccount." Amounts in the Series 2025 Costs of Issuance Subaccount shall be applied by the Trustee to pay the costs relating to the issuance of the Series 2025 Bonds. Six (6) months after the date of issuance of the Series 2025 Bonds, any moneys remaining in the Series 2025 Costs of Issuance Subaccount which have not been requisitioned by the District to pay costs relating to the issuance of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition

and Construction Account and applied as set forth in the Indenture, and the Series 2025 Costs of Issuance Subaccount shall be closed.

Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2025 Interest Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Interest Account in the amount set forth in the Supplemental Indenture. Moneys deposited into the Series 2025 Interest Account shall be applied for the purposes provided in the Indenture.

Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2025 Sinking Fund Account." Moneys shall be deposited into such Account as provided in the Indenture and applied for the purposes provided in the Indenture.

Collateral Assignment

Contemporaneously with the issuance of the Series 2025 Bonds, Carolina Holdings II, LLC, a Nevada limited liability company (the "Developer"), and Sunbelt Titusville Investments, LLC, a Nevada limited liability company (together with the Developer, the "Landowner"), will enter into a [Collateral Assignment and Assumption of Development and Contract Rights] (the "Collateral Assignment") with the District. The following description of the Collateral Assignment is qualified in its entirety by reference to the Collateral Assignment, Pursuant to the Collateral Assignment, the Landowner collaterally assigns to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Landowner, all of the Landowner's development rights and contract rights relating to the Series 2025 Project (the "Development & Contract Rights") as security for the Landowner's payment and performance and discharge of its obligation to pay the Series 2025 Special Assessments levied against the 2025 Assessment Area. The assignment will become effective and absolute upon failure of the Landowner to pay the Series 2025 Special Assessments levied against the 2025 Assessment Area or such portion thereof owned by the Landowner. The Development & Contract Rights specifically exclude any such portion of the Development & Contract Rights which relate to any property which has been conveyed to the City, the County, the District, any third party developer unaffiliated with the Landowner, or other governing entity or association for the benefit of the Series 2025 Project. Pursuant to the Indenture, the District assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2025 Bonds.

Completion Agreement

In connection with the issuance of the Series 2025 Bonds, the District and the Landowner will enter into an agreement (the "Completion Agreement") pursuant to which the Landowner will agree to provide funds to complete the Series 2025 Project to the extent that proceeds of the Series 2025 Bonds are insufficient therefor. Remedies for a default under the Completion Agreement include damages and/or specific performance.

True-Up Agreement

In connection with the issuance of the Series 2025 Bonds, the District and the Landowner will enter into an agreement (the "True-Up Agreement") pursuant to which the

Landowner agrees to pay, when requested by the District, any amount of Series 2025 Special Assessments allocated to unplatted acres on lands owned by the Landowner in excess of the allocation in place at the time of issuance of the Series 2025 Bonds pursuant to the Assessment Report. Remedies for a default under the True-Up Agreement include damages, injunctive relief and/or specific performance.

Enforcement of Completion Agreement and True-Up Agreement

Pursuant to the Indenture, the District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the Completion Agreement and the True-Up Agreement, and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the written direction of the Majority Owners of the Series 2025 Bonds may, subject to the provisions of the Master Indenture, act on behalf of, and in the District's stead, to enforce the provisions of such Agreement and to pursue all available remedies under applicable law or in equity. Anything in the Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the Completion Agreement and the True-Up Agreement upon demand of the Majority Owners of the Series 2025 Bonds, or the Trustee at the written direction of the Majority Owners of the Series 2025 Bonds, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

Events of Default

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2025 Bonds:

- (a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails to, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2025 Bond and such default continues for sixty

(60) days after written notice thereof that requires the same to be remedied shall have been given to the District by the Trustee, which notice may be given by the Trustee in its discretion and which notice shall be given by the Trustee at the written request of the Majority Owners of the Series 2025 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

- (f) any portion of the Series 2025 Special Assessments shall have become Delinquent Assessments and, as the result thereof, the Trustee has withdrawn funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2025 Debt Service Reserve Account to pay the Debt Service Requirements on the Series 2025 Bonds; or
- (g) more than twenty percent (20%) of the operation and maintenance assessments levied by the District on tax parcels subject to the Series 2025 Special Assessments pledged to the Series 2025 Bonds are not paid by the date such are due and payable, and such default continues for sixty (60) days after the date when due.

The District covenants and agrees in the Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of delinquent Series 2025 Special Assessments, the provisions for the foreclosure of liens of delinquent Series 2025 Special Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the written direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2025 Bonds. Notwithstanding anything to the contrary in the Indenture, and unless otherwise directed by the Majority Owners and allowed pursuant to federal or State law, the District acknowledges and agrees that (a) upon failure of any property owner to pay an installment of Series 2025 Special Assessments collected directly by the District when due, that the entire Series 2025 Special Assessments related to the Series 2025 Bonds on the tax parcel as to which such delinquent Series 2025 Special Assessment pertains, with interest and penalties thereon, shall immediately become due and payable and the District shall cause to be commenced the necessary legal proceedings for the foreclosure of liens of delinquent Series 2025 Special Assessments related to the Series 2025 Bonds with respect to such tax parcel, including interest and penalties, and (b) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages. Notwithstanding anything to the contrary in the Indenture, the District shall be entitled to first recover from any foreclosure before such proceeds are applied to the payment of principal or interest on the Series 2025 Bonds, all fees and costs expended in connection with such foreclosure, regardless of whether such fees and costs are included as part of the Series 2025 Special Assessments.

Provisions Relating to Bankruptcy or Insolvency of Landowner

The provisions of the Master Indenture, as summarized below, shall apply both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least five percent (5%) of the Series 2025 Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"), except where such tax parcel shall be homestead property. For as long as any Series 2025 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2025 Bonds or the Series 2025 Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee with regard to all matters directly or indirectly affecting the Series 2025 Bonds or for as long as any Series 2025 Bonds remain Outstanding.

The District acknowledges and agrees in the Indenture that, although the Series 2025 Bonds may be issued by the District, the Owners of the Series 2025 Bonds are categorically a party with a financial stake in the transaction and, consequently, a party with a vested interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer:

- (a) the District agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Bonds or the Series 2025 Special Assessments or any rights of the Trustee under the Indenture;
- (b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Special Assessments, the Series 2025 Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; provided, however, that the Trustee shall be deemed to have consented, on behalf of the Majority Owners of Outstanding Series 2025 Bonds, to the proposed action if the District does not receive a written response from the Trustee within forty-five (45) days following written request for consent;
- to the extent permitted by law, the Trustee shall have the right, but is not obligated to (unless directed by the Majority Owners of Outstanding Series 2025 Bonds and receipt by Trustee of indemnity satisfactory to the Trustee), (i) vote in any such Proceeding any and all claims of the District, except for any claims the District may have related to the District's operation and maintenance assessments or other claims unrelated to the Series 2025 Special Assessments or the Series 2025 Bonds, and (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, except for any claims the District may have related to the District's operation and maintenance assessments or other claims unrelated to the Series 2025 Special Assessments or the Series 2025 Bonds, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing; and, if the Trustee chooses to exercise any such rights (or is directed in writing by the Majority Owners of Outstanding Series 2025 Bonds and receipt by the Trustee of indemnity satisfactory to the Trustee), the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for

the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the United States Bankruptcy Code; and

(d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim with respect to the Series 2025 Special Assessments or receipt of adequate protection (as that term is defined in the United States Bankruptcy Code).

Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2025 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of paragraph (b) above, nothing in this section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such a claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or directions with respect to the Series 2025 Special Assessments whether such claim is pursued by the District or the Trustee.

Enforcement and Collection of Series 2025 Special Assessments

The primary sources of payment for the Series 2025 Bonds are the Series 2025 Special Assessments imposed on each landowner within the 2025 Assessment Area which are specially benefited by the Series 2025 Project. To the extent that landowners fail to pay such Series 2025 Special Assessments, delay payments, or are unable to pay such Series 2025 Special Assessments, the successful pursuit of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. The Act provides for various methods of collection of delinquent taxes by reference to other provisions of the Florida Statutes. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein for a summary of special assessment payment and collection procedures appearing in the Florida Statutes.

Pursuant to the Indenture, the Series 2025 Special Assessments shall be directly collected and enforced by the District pursuant to the provisions of the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto; provided, however, Series 2025 Special Assessments levied on platted lots and pledged to secure the Series 2025 Bonds will be collected pursuant to the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, as amended (the "Uniform Method"). The District covenants

in the Indenture to enter into a Property Appraiser and Tax Collector Agreement with the County in order to comply with the provisions of the Indenture.

Notwithstanding the immediately preceding paragraph or any other provision in the Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the written direction of the Majority Owners, requests that the District not use the Uniform Method, but instead collect and enforce Series 2025 Special Assessments pursuant to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the District shall collect and enforce said Series 2025 Special Assessments in the manner and pursuant to the method so requested by the Trustee.

Any Series 2025 Special Assessments that are not collected pursuant to the Uniform Method shall be billed directly to the applicable landowner and be payable not later than thirty (30) days prior to each Interest Payment Date.

If the owner of any lot or parcel of land assessed for the Series 2025 Project shall be delinquent in the payment of any Series 2025 Special Assessment, then such Series 2025 Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Series 2025 Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Series 2025 Special Assessment the District may, to the extent permitted by law, utilize any other method of enforcement as provided in the Master Indenture, including, without limitation, declaring the entire unpaid balance of such Series 2025 Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, Florida Statutes, and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law.

If any property shall be offered for sale for the nonpayment of any Series 2025 Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2025 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2025 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2025 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to this section. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2025 Revenue Account. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the Series 2025 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners.

THERE CAN BE NO ASSURANCE THAT ANY SALE, PARTICULARLY A BULK SALE, OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Additional Covenants Regarding Assessments

The District covenants in the Indenture to comply with the terms of the proceedings heretofore adopted with respect to the Series 2025 Special Assessments, including the Assessment Resolutions and the Assessment Report, and to levy the Series 2025 Special Assessments and any required true-up payments set forth in the Assessment Report, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds, when due.

Prepayment

At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or under certain circumstances described in the Assessment Resolutions in connection with Series 2025 Prepayments derived from application of the "true-up" mechanism therein, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying to the District all or a portion of the Series 2025 Special Assessment which shall constitute Series 2025 Prepayments as directed in writing by the District pursuant to the provisions of the Supplemental Indenture, plus accrued interest to the next succeeding Quarterly Redemption Date (or the second succeeding Quarterly Redemption Date if such prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to such Series 2025 Special Assessment owned by such owner; provided, however, to the extent that such payments are to be used to redeem Series 2025 Bonds in the event the amount in the Series 2025 Debt Service Reserve Account will exceed the Series 2025 Debt Service Reserve Requirement as a result of a Series 2025 Prepayment in accordance with this section and the resulting redemption of Series 2025 Bonds in accordance with the Supplemental Indenture, the excess amount above the Series 2025 Debt Service Reserve Requirement shall be transferred from the Series 2025 Debt Service Reserve Account to the Series 2025 Prepayment Account as a credit against the Series 2025 Prepayment otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District together with a certificate of a Responsible Officer of the District stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Debt Service Reserve Account to equal or exceed the Series 2025 Debt Service Reserve Requirement and accompanied by cash flows which demonstrate that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding. The written instructions shall be delivered to the Trustee on or before the fortysixth (46th) day prior to a Quarterly Redemption Date. The Trustee is authorized to make such transfers as provided in this section and has no duty to verify such calculations.

Upon receipt of Series 2025 Prepayments as described in the preceding paragraph, which includes accrued interest to the next succeeding Quarterly Redemption Date (or the second succeeding Quarterly Redemption Date if such prepayment is made within forty-five

(45) calendar days before a Quarterly Redemption Date), subject to satisfaction of the conditions set forth therein, the District shall immediately pay the amount so received to the Trustee and clearly identify in writing such amounts as a Series 2025 Prepayment and the District shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by the District Manager, to the effect that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be. Upon receipt of any such moneys from the District, the Trustee shall immediately deposit the same into the Series 2025 Prepayment Account to be applied in accordance with the Supplemental Indenture, to the redemption of Series 2025 Bonds in accordance with the Supplemental Indenture.

The Trustee shall conclusively rely on the District's determination of what moneys constitute Series 2025 Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2025 Bonds pursuant to the Supplemental Indenture on each March 15, June 15, September 15 and December 15.

Re-Assessment

Pursuant to the Master Indenture, if any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District shall either (a) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (b) in its sole discretion, make up the amount of such Series 2025 Special Assessment from any legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the revenues received by the District from the collection of Series 2025 Special Assessments imposed on certain lands in the 2025 Assessment Area specially benefited by the Series 2025 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto.

The imposition, levy, and collection of Series 2025 Special Assessments must be done in compliance with the provisions of State law. Failure by the District, the Brevard County Tax Collector (the "Tax Collector") or the Brevard County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect any Series 2025 Special Assessments, would have a material adverse effect on the ability of the District

to make full or punctual payment of the Debt Service Requirements on the Series 2025 Bonds. See "BONDOWNERS' RISKS" herein. To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Special Assessments to be valid, the Series 2025 Special Assessments must meet two requirements: (a) the benefit from the Series 2025 Project to the lands subject to the Series 2025 Special Assessments must exceed or equal the amount of the Series 2025 Special Assessments; and (b) the Series 2025 Special Assessments must be fairly and reasonably allocated across all such benefited properties. The Assessment Consultant (hereinafter defined) will certify that these requirements have been met with respect to the Series 2025 Special Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Special Assessments through a variety of methods. See "BONDOWNERS' RISKS" herein. Initially, and for undeveloped properties, the District will directly issue annual bills to landowners requiring payment of the Series 2025 Special Assessments and will enforce such bill through foreclosure proceedings. As lands are developed, the Series 2025 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapter 170, Florida Statutes, and the Act, the District may directly levy, collect and enforce the Series 2025 Special Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay.

Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Special Assessments. See "BONDOWNERS' RISKS" herein.

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2025 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments, including the Series 2025 Special Assessments, are to be billed together and landowners in the District are required to pay all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service Requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percentage point per month to one percent (1%) in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series

2025 Bonds that (a) the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (b) future landowners and taxpayers in the District will pay such Series 2025 Special Assessments, (c) a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (d) the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently eighteen percent (18%). The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply

for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on nonhomestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum

bid. Three (3) years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS" herein.

THE DISTRICT

General

The District is a local unit of special purpose government duly organized and existing under the provisions of the Act and established by the Ordinance. The boundaries of the District include approximately 456 acres of land located entirely within the City.

Legal Powers and Authority

The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development.

The Act provides that community development districts have the power to issue general obligation, revenue and special assessment revenue debt obligations in any combination to pay all or part of the cost of infrastructure improvements authorized under the Act. The Act further provides that community development districts have the power under certain conditions to levy and assess ad valorem taxes or non-ad valorem assessments, including the Series 2025 Special Assessments, on all taxable real property within their boundaries to pay the principal of and interest on debt obligations issued and to provide for any sinking or other funds established in connection with any such debt obligation issues. Pursuant to the Act, such assessments may be levied, collected and enforced in the same manner and time as county property taxes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to: (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for: (i) water management and control for lands within the District and to connect any of such facilities with roads and

bridges; (ii) water supply, sewer and wastewater management reclamation and re-use systems or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) district roads equal to or exceeding the applicable specifications of the county in which such district roads are located; roads and improvements to existing public roads that are owned by or conveyed to the local general-purpose government, the State, or the federal government; street lights; alleys; landscaping; hardscaping; undergrounding of electric utility lines; buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage; (iv) conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property; (v) any other project, facility or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses; and security, including, but not limited to, guardhouses, fences and gates, and electronic intrusion-detection systems; (b) borrow money and issue bonds of the District; (c) levy, collect and enforce special assessments; (d) impose and foreclose special assessment liens as provided in the Act; and (e) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District authorized by the Act.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are collectively performed by the City or the County and its respective departments of government.

The Act exempts all property of the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any Owner of bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with such bonds, including the Series 2025 Bonds.

Board of Supervisors

The Act provides for a five-member Board of Supervisors (as previously defined, the "Board") to serve as the governing body of the District. At the initial meeting of the landowners, members of the Board (the "Supervisors") must be elected by the landowners with the two (2) Supervisors receiving the highest number of votes to serve for a four-year term and the remaining Supervisors to serve for a two-year term. Three (3) of the five (5) Supervisors are elected to the Board every two (2) years in November. At such election, the two (2) Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots are counted individually and rounded up to the

nearest whole acre and are not to be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen (18) years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two (2) Supervisors must be qualified electors and be elected by qualified electors, both to a four-year term. The other Supervisors must be qualified electors elected by qualified electors and are elected to serve staggered terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

There is currently one (1) vacancy on the Board. The current members of the Board and their respective term expiration dates are set forth below.

Name	Title	Expiration of Term
William Allen, Jr.*	Chair	November 2026
Kenneth Belshe*	Vice Chair	November 2026

The initial phases are planned to include infrastructure for the development of 269 single-family residential lots comprising Phases 1 through 3 of the Development (as previously defined, the "2025 Assessment Area"), as well as certain master infrastructure necessary for the development of lands within the District.

The Series 2025 Project consists of a portion of the CIP in an approximate amount of \$19.94 million and includes the costs allocable to the 2025 Assessment Area. Enumeration of the estimated costs of the Series 2025 Project are provided in the table below.

^{*} Preliminary, subject to change.

July 15, 2025, the Landowner estimates it has expended approximately \$26 million towards development related expenditures related to the 2025 Assessment Area. The remainder of the Series 2025 Project not funded with proceeds of the Series 2025 Bonds is anticipated to be funded by the Landowner. At the time of issuance of the Series 2025 Bonds, the Landowner and the District will enter into the Completion Agreement whereby the Landowner will agree to complete those portions of the Series 2025 Project not funded with proceeds of the Series 2025 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Completion Agreement" herein. The District cannot make any representation that the Landowner will have sufficient funds to complete the Series 2025 Project.

The status of construction and permitting for the Series 2025 Project is outlined in the Engineer's Report attached hereto as composite APPENDIX A. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Zoning and Permitting" herein for a more detailed description of the zoning and permitting status of the 2025 Assessment Area.

ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS

Governmental Management Services – Central Florida, LLC (in such capacity, the "Assessment Consultant"), has prepared the Master Assessment Methodology dated May 11, 2022 (the "Master Assessment Report") and the First Supplemental Assessment Methodology for the Series 2025 Project dated August 8, 2025 (the "Supplemental Assessment Report" and, together with the Master Assessment Report, the "Assessment Report"), attached hereto as composite APPENDIX B. The Assessment Report provides a methodology to allocate the total costs and benefit derived from the Series 2025 Project and the Series 2025 Special Assessments levied in connection with the Series 2025 Bonds.

The 2025 Assessment Area is planned to include 269 single-family residential lots located in Phases 1 through 3 of the Development. The Series 2025 Special Assessments securing the Series 2025 Bonds will initially be levied on an equal per acre basis on the 2025 Assessment Area. As the assessable parcels of land within the 2025 Assessment Area are developed and platted, the Series 2025 Special Assessments are then allocated to each of the platted units by product type as set forth in the Supplemental Assessment Report. The Series 2025 Special Assessments are ultimately expected to be allocated on a per unit basis to the 269 residential lots planned within the 2025 Assessment Area. As discussed herein, all 202 lots within Phases 1 and 2 have been platted thereby resulting in the allocation of approximately \$4.3 million or sixty-three percent (63%) of the principal amount of the Series 2025 Special Assessments to such units. The table below illustrates the per unit principal and annual Series 2025 Special Assessments.

Product Type	# of Units	Est. Series 2025 Bonds Principal Per Unit*	Est. Series 2025 Bonds Gross Annual Debt Service Per Unit*
Froduct Type	Units	<u>rer unit</u>	Service Fer Unit
Single-family 70' (Phase 1 Intracoastal Direct & View)	99	\$21,337	\$1,650
Single-family 70' (Phase 2 Estate Lots)	103	21,337	1,650
Single-family 50' (Phase 3 Estate Lots)	67	37,015	2,861
Total	269		

^{*} Preliminary, subject to change. The Developer plans to prepay a portion of the Series 2025 Special Assessments to redeem approximately \$1.04 million of the Series 2025 Bonds pertaining to Phase 3. After such prepayments are made, the Series 2025 Special Assessments are expected to be reduced to approximately \$1,650 for a lot within Phase 3 of the Development.

The following information appearing under the captions "THE LANDOWNER AND THE DEVELOPER" and "THE DEVELOPMENT" has been furnished by the Landowner for inclusion in this Limited Offering Memorandum as a means for prospective Bondholders to understand the anticipated development plan and risks associated with the 2025 Assessment Area and the provision of infrastructure to the real property within the District. The Landowner's obligation to pay the Series 2025 Special Assessments is limited solely to its obligation as a landowner, just as any other landowner within the District. The Landowner is not a guarantor of payment on any property within the District and the recourse for the Landowner's failure to pay or otherwise comply with its obligations to the District is limited to its ownership interest in the land subject to the Series 2025 Special Assessments.

THE DEVELOPMENT

General

The Shores at Tranquility (the "Development") is an intracoastal waterfront community located within the City of Titusville, Florida (as previously defined, the "City") in Brevard County, Florida (as previously defined, the "County"). The Development consists of 346 acres and is bound on the south by U.S. Highway 1 (South Washington Avenue), on the east by State Road 405 (NASA Causeway) and runs north along the Indian River Lagoon. The main entrance to the Development is located along U.S. Highway 1 (South Washington Avenue). Additional access points are located along the southern and eastern border of the Development at U.S. Highway 1 and State Road 405 (NASA Causeway), respectively.

Situated on the Intracoastal Waterway in Florida's Space Coast, the Development is currently planned to include single-family and multi-family residential homes built around resort-like amenities, natural lands and waterfront views with a separate mixed-use town center parcel fronting the main entrance at U.S. Highway 1 (South Washington Avenue). The Development sits just across from the Kennedy Space Center and the 140,000-acre Merritt Island Wildlife Preserve. Canaveral National Seashore can be accessed from the Development in less than twenty (20) minutes. In addition, downtown Orlando is located approximately thirty-eight (38) miles west of the Development and Cape Canaveral is located approximately twenty-one (21) miles southeast of the Development. Further, the Orlando International Airport is located approximately thirty-eight (38) miles southwest of the Development.

Designed as a gated waterfront community, the Development is currently planned to include approximately 2,404 residential units, consisting of 269 single-family units and 2,135 multi-family units, along with 280,000 square feet of commercial space, a 270-room hotel, recreational facilities and a marina. Development activities in the Development commenced in March 2021. Since then, a significant amount of development has been completed or is underway including construction of the landscaped entry, the spine road and additional horizontal infrastructure supporting the initial phases of the Development.

As described herein, the community has been designed to offer a diverse range of residential offerings, including custom estate homesites and builder constructed homes. The first three (3) phases of the Development are planned to include 269 lots comprised of (a) Phase 1, which includes ninety-nine (99) direct intracoastal and intracoastal view custom estate homesites that front the Intracoastal Waterway, (b) Phase 2, which includes an additional 103 custom estate homesites situated just south of Phase 1, directly off the main spine road, branching east and west through the Development, and (c) Phase 3, which is planned to include sixty-seven (67) builder constructed homes situated in the southwestern corner of the Development, directly west of Addison Creek.

As indicated herein, the 2025 Assessment Area is currently planned to include the 269 single-family residential lots within Phases 1 through 3 of the Development. As described further herein, as of July 15, 2025, all 202 custom estate homesites in Phases 1 and 2 had been closed with retail buyers. Further, Toll Brothers had entered into a contract to purchase all sixty-seven (67) planned lots in Phase 3 upon development completion of such lots.

Land Acquisition/Development Financing

The Landowner, or affiliates thereof, acquired the approximately 346 acres comprising the Development in February 2008 for an aggregate purchase price of approximately \$27.5 million. The acquisition of the lands was effectuated with cash and an \$8.5 million loan, which loan has been paid in full and the mortgage on the lands within the Development related to the loan has been extinguished.

As indicated herein, development activities in Phase 1 and Phase 2 have been completed and work on Phase 3 is anticipated to commence in the third quarter of 2025. Proceeds of the Series 2025 Bonds totaling approximately \$5.8 million* will be utilized to construct and/or acquire a portion of the Series 2025 Project. As of July 15, 2025, the Landowner estimates approximately \$26 million has been expended in development-related expenditures allocable to the 2025 Assessment Area. The remainder of the Series 2025 Project not funded with proceeds of the Series 2025 Bonds are anticipated to be funded with equity contributions from the Landowner.

Zoning and Permitting

Zoning. The Development is located within the Regional Mixed-Use zoning district. The development agreement (the "Development Agreement") governing the Development provides for the development of a maximum of 2,404 units, designated commercial parcels, and requires a minimum of twenty percent (20%) of the total acreage be set aside for open space and a minimum of fifteen percent (15%) dedicated to parks and recreation. The Development Agreement contemplates the lands within the Development will be developed pursuant to a master development plan and further sets forth various development conditions pertaining to, without limitation, construction of walking trails, a boardwalk, a riverfront park, and traffic signals and associated improvements at the intersection of State Road 405 (NASA Causeway) and the entrance to the Development. Certain of the conditions set forth in the Development Agreement are required to be undertaken in conjunction with achieving a certain number of building permits. The Developer has also applied for all permits and approvals required for the infrastructure necessary to serve Phase 3 of the Development which include, without limitation, a St. Johns River Water Management District Environmental Resource Permit, and Army Corps of Engineers, Florida Department of Environmental Protection and City permits including construction plan approval. These permits and approvals are anticipated to be received in [September 2025].

Upon issuance of the Series 2025 Bonds, the Consulting Engineer will certify that any permits and approvals necessary for the 2025 Assessment Area that have not previously been obtained are expected to be obtained in the ordinary course of business. As indicated herein, development activities in Phase 1 and Phase 2 have been completed and work on Phase 3 is anticipated to commence in the third quarter of 2025.

Environmental

The Development formerly included a Florida East Coast railroad trackbed running north along the Development's border. As part of site assessment activities conducted in 2008 and again in 2014 by the Developer's consultant, Universal Engineering Services, contamination of soil along the abandoned railway line was confirmed. All assessments and remediation activities in the Development were submitted to and approved by the Florida Department of Environmental Protection ("FDEP") and soil redemption was subsequently completed in full. On November 14, 2024, the Development received a letter from the FDEP confirming completion and compliance for the Development, including the 269 lots in the 2025 Assessment Area.

The Participating Builders are also undertaking their own marketing efforts to market homes in the first phases of the Development. In addition, it is anticipated that Toll Brothers will build model homes in Phase 3 of the 2025 Assessment Area.

Fees and Assessments

Each property owner in the 2025 Assessment Area will be required to pay annual taxes, assessments, and fees on an ongoing basis as a result of their ownership of property within the District, including ad valorem property taxes, the Series 2025 Special Assessments levied by the District in connection with the Series 2025 Bonds, homeowner's association ("HOA") fees, and administrative, operation and maintenance assessments ("O&M Assessments") levied by the District, all as described in more detail below.

<u>Property Taxes</u>. The current millage rate for the area in which the District is located is 17.5341. Assuming a home with a taxable value of \$850,000, the annual property tax would be approximately \$14,904.

<u>Homeowner's Association Fees</u>. All homeowners in the 2025 Assessment Area will be subject to annual master HOA fees for architectural review, deed restriction enforcement and maintenance of any HOA-owned facilities. The annual HOA fee for all homes in the 2025 Assessment Area is estimated to be \$1,600.

<u>District Special Assessments</u>. All property owners residing in the 2025 Assessment Area will be subject to the Series 2025 Special Assessments levied in connection with the Series 2025 Bonds which are expected to be paid annually over a thirty (30) year period. The table below illustrates the aforementioned Series 2025 Special Assessments that will be levied by the District for each of the respective product types within the 2025 Assessment Area.

Product Type	# of Units	Bonds Principal Per Unit*	Gross Annual Debt Service Per Unit*
Single-family 70' (Phase 1 Intracoastal Direct & View)	99	\$21,337	\$1,650
Single-family 70' (Phase 2 Estate Lots)	103	21,337	1,650
Single-family 50' (Phase 3 Estate Lots)	67	37,015	2,861
Total	269		

E-4 C----- 2005

In addition to the Series 2025 Special Assessments, all property owners within the District will be subject to annual O&M Assessments levied by the District which are derived from the District's annual budget and are subject to change each year. The estimated annual O&M Assessments at build out of the Development are anticipated to be \$[____] per unit and are subject to change.

^{*} Preliminary, subject to change. The Developer plans to prepay a portion of the Series 2025 Special Assessments to redeem approximately \$1.04 million of the Series 2025 Bonds pertaining to Phase 3. After such prepayments are made, the Series 2025 Special Assessments are expected to be reduced to approximately \$1,650 for a lot within Phase 3 of the Development.

Competition

While there are numerous communities situated in the Titusville sub-market, the Landowner feels that the Development uniquely offers custom homes with waterfront views and unique sightlines to the Kennedy Space Center, features that are not currently available in any other active development in the area, therefore differentiating it from such communities.

This section does not purport to summarize all of the existing or planned communities in the area of the Development, but rather to provide a description of those that the Developer feels pose primary competition to the homes to be constructed in the Development.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of these risks are described in the section above entitled "ENFORCEMENT OF ASSESSMENT COLLECTIONS." However, certain additional risks are associated with the Series 2025 Bonds offered hereby. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum including all appendices hereto in its entirety to identify investment considerations relating to the Series 2025 Bonds.

Limited Pledge

The principal security for the payment of the Debt Service Requirements on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the owners of the land subject thereto but are secured by a lien on such land. There is no assurance that the Landowner or any subsequent landowner will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Neither the Landowner nor any subsequent landowner is a guarantor of payment of any Series 2025 Special Assessment and the recourse for the failure of the Landowner or any subsequent landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The District has not granted, and may not grant under State law, a mortgage or security interest in the Series 2025 Project. Furthermore, the District has not pledged the revenues, if any, from the operation of the Series 2025 Project as security for, or a source of payment of, the Series 2025 Bonds. The Series 2025 Bonds are payable solely from, and secured solely by, the Pledged Revenues, including the Series 2025 Special Assessments. The failure of the Landowner or any subsequent landowner to pay the required Series 2025 Special Assessment on its property will not result in an increase in the amount of Series 2025 Special Assessments other landowners are or would be required to pay.

Concentration of Land Ownership and Bankruptcy Risks

Until further development takes place in the 2025 Assessment Area and assessable properties are sold to end users, payment of the Series 2025 Special Assessments is

substantially dependent upon their timely payment by the Landowner. In the event of the institution of bankruptcy or similar proceedings with respect to the Landowner or any other subsequent significant owner of property subject to the Series 2025 Special Assessments, delays and impairment could occur in the payment of the Debt Service Requirements on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of (a) the Landowner or any other landowner being able to pay the Series 2025 Special Assessments, (b) the County to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method, and (c) the District's ability to enforce collection with respect to the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds, the Trustee and the District upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including during a bankruptcy of the Landowner or any other landowner, the remedies specified by federal, State and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce available remedies respecting the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

Delay and Discretion Regarding Remedies

Beyond legal delays that could result from bankruptcy, the ability of the County to sell tax certificates in regard to delinquent Series 2025 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two (2) years. Similarly, the ability of the District to enforce collection of delinquent Series 2025 Special Assessments collected directly by the District will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2025 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments which are not being collected pursuant to the Uniform Method and that are delinquent, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action.

Limitation on Funds Available to Exercise Remedies

In the event of a default by a landowner in payment of Series 2025 Special Assessments that are not collected pursuant to the Uniform Method, the District is required under the Indenture to fund the costs of foreclosure of such delinquent Series 2025 Special Assessments. It is possible that the District will not have sufficient funds and will be

compelled to request the Owners of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay such costs. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amount of Series 2025 Bond proceeds that can be used for such purpose. As a result, there may be insufficient funds for the exercise of remedies.

Determination of Land Value upon Default

The assessment of the benefits to be received by the benefited land within the 2025 Assessment Area as a result of implementation and development of the Series 2025 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. In other words, the value of the land could potentially be ultimately less than the debt secured by the Series 2025 Special Assessments associated with it. To the extent that the realizable or market value of the land benefited by the Series 2025 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land, or the District to realize sufficient value from a foreclosure action, may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2025 Special Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of the Debt Service Requirements on the Series 2025 Bonds.

Landowner Challenge of Assessed Valuation

Under State law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Special Assessment, even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification, or a determination that their improvements were substantially complete, must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Failure to Comply with Assessment Proceedings

The District is required to comply with statutory procedures in levying the Series 2025 Special Assessments. Failure of the District to follow these procedures could result in the Series 2025 Special Assessments not being levied or potential future challenges to such levy.

Other Taxes and Assessments

The willingness and/or ability of a landowner within the 2025 Assessment Area to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District, such as the City, the County, the Brevard County School District and other special districts could, without the consent of the owners of the land within the 2025 Assessment Area, impose additional taxes or assessments on the property within the 2025 Assessment Area. County, municipal, school and special district taxes and assessments, including the Series 2025 Special Assessments, and any additional voter-approved ad valorem taxes, are payable at the same time when collected pursuant to the Uniform Method, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment, such taxpayer cannot designate specific line items on the tax bill as deemed paid in full. Therefore, any failure by a landowner to pay any one line item, whether or not it is the Series 2025 Special Assessments, would result in such landowner's Series 2025 Special Assessments to not be fully collected, which could have a significant adverse impact on the District's ability to make full or punctual payment of the Debt Service Requirements on the Series 2025 Bonds.

As referenced herein, the Series 2025 Special Assessments are levied on lands within the 2025 Assessment Area that are also subject to O&M Assessments and HOA fees. See "THE DEVELOPMENT – Fees and Assessments" herein.

Limited Secondary Market

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of the 2025 Assessment Area, existing market conditions and other factors.

Inadequacy of Series 2025 Debt Service Reserve Account

Some of the risk factors described herein, if materialized, could result in a delay in the collection of the Series 2025 Special Assessments or a failure to collect the Series 2025 Special Assessments, but may not affect the timely payment of the Debt Service Requirements on the Series 2025 Bonds because of the Series 2025 Debt Service Reserve Account established by the District for the Series 2025 Bonds. However, the ability of the District to fund deficiencies caused by delinquent or delayed Series 2025 Special Assessments is dependent upon the amount, duration and frequency of such deficiencies or delays. If the District has difficulty in collecting the Series 2025 Special Assessments, the Series 2025 Debt Service Reserve Account could be rapidly depleted and the ability of the District to pay the Debt Service Requirements on the Series 2025 Bonds could be materially adversely affected. Owners should note that although the Indenture contains the Series 2025 Debt Service Reserve Requirement for the Series 2025 Debt Service Reserve Account, and a corresponding obligation on the part of the District to replenish the Series 2025 Debt Service Reserve Account to the Series 2025 Debt Service Reserve Requirement, the District does not have a designated revenue source for replenishing the Series 2025 Debt Service Reserve Account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Debt Service Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – No Parity Bonds; Limitation on Parity Liens" herein.

Moneys on deposit in the Series 2025 Debt Service Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys available in the Series 2025 Debt Service Reserve Account to make up deficiencies or delays in collection of Series 2025 Special Assessments.

Regulatory and Environmental Risks

The Development is subject to comprehensive federal, State and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the Development. See "THE DEVELOPMENT – Zoning and Permitting" herein.

The value of the land within the 2025 Assessment Area, the ability to complete the Series 2025 Project, and the likelihood of timely payment of the Debt Service Requirements on the Series 2025 Bonds could be affected by environmental factors with respect to the lands in the 2025 Assessment Area, such as contamination by hazardous materials. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the 2025 Assessment Area or from surrounding property, and what effect such may have on the development of the lands within the 2025 Assessment Area. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" herein.

Economic Conditions

The development of the 2025 Assessment Area may be affected by changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowner or the District. Although the 2025 Assessment Area is anticipated to be developed as described herein, there can be no assurance that such development will occur or be realized in the manner or schedule currently anticipated.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the

purposes of misappropriating assets or information or causing operational disruption and damage. No assurance can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of the Debt Service Requirements on the Series 2025 Bonds.

Infectious Viruses and/or Diseases

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowner, the timely and successful completion of the 2025 Assessment Area, and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs.

Damage to District from Natural Disasters

The value of the lands subject to the Series 2025 Special Assessments could be adversely affected by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the 2025 Assessment Area, such catastrophic events could potentially render the lands within the 2025 Assessment Area unable to support the construction of the Series 2025 Project. The occurrence of any such events could materially adversely affect the District's ability to collect Series 2025 Special Assessments and pay the Debt Service Requirements on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Change in Development Plans

The Landowner has the right to modify or change plans for development of certain property within the District, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Completion of Series 2025 Project

The Series 2025 Bond proceeds will not be sufficient to finance the completion of the Series 2025 Project. The portions of the Series 2025 Project not funded with proceeds of the Series 2025 Bonds are expected to be funded with contributions from the Landowner. There is no assurance that the Landowner will be able to pay for the cost of any of these improvements. Upon issuance of the Series 2025 Bonds, the Landowner will enter into the Completion Agreement with respect to any portions of the Series 2025 Project not funded with the proceeds of the Series 2025 Bonds. Such obligation of the Landowner is an unsecured obligation. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Completion Agreement" herein. There can be no assurance, that the District will have sufficient moneys on hand to complete the Series 2025 Project or that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete

the Series 2025 Project. Pursuant to the Indenture, the District covenants and agrees that so long as the Series 2025 Bonds are Outstanding, the District will not impose debt service Special Assessments for capital projects on any lands then subject to the Series 2025 Special Assessments without the written consent of the Majority Owners; provided, however, such consent shall not be required if the Series 2025 Special Assessments have been Substantially Absorbed. Notwithstanding the foregoing, the District is not precluded from imposing capital assessments (or the issuance of Bonds secured by such capital assessments) on property then subject to the Series 2025 Special Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – No Parity Bonds; Limitation on Parity Liens" herein.

Undeveloped or partially developed land is inherently less valuable than developed land and provides less security to the Owners of the Series 2025 Bonds should it be necessary to institute proceedings due to the nonpayment of the Series 2025 Special Assessments. Failure to complete or substantial delays in the completion of the Series 2025 Project due to litigation or other causes may reduce the value of the lands in the 2025 Assessment Area and increase the length of time during which Series 2025 Special Assessments will be payable from undeveloped property and may affect the willingness and ability of the landowners to pay the Series 2025 Special Assessments when due and likewise the ability of the District to make full or punctual payment of the Debt Service Requirements on the Series 2025 Bonds.

District May Not be Able to Obtain Permits

In connection with a foreclosure of lien of assessments prior to completion of a development, the Circuit Court in and for Lake County, Florida concluded that a community development district had no right, title or interest in any permits and approvals owned by the owner of the parcels so foreclosed. As discussed herein, the District and the Landowner will enter into the Collateral Assignment upon issuance of the Series 2025 Bonds in which the Landowner collaterally assigns to the District certain of its Development & Contract Rights relating to the Series 2025 Project. Notwithstanding the foregoing, in the event that the District forecloses on the property subject to the lien of the Series 2025 Special Assessments to enforce payment thereof, the District may not have the right, title or interest in the permits and approvals owned by the Landowner and failure to obtain any such permits or approvals in a timely manner could delay or adversely affect the completion of the 2025 Assessment Area. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Collateral Assignment" herein.

Interest Rate Risk; No Rate Adjustment for Taxability

The interest rates borne by the Series 2025 Bonds are, in general, higher than interest rates borne by other bonds of political subdivisions that do not involve the same degree of risk as investment in the Series 2025 Bonds. These higher interest rates are intended to compensate investors in the Series 2025 Bonds for the risk inherent in the purchase of the Series 2025 Bonds. However, such higher interest rates, in and of themselves, increase the amount of Series 2025 Special Assessments that the District must levy in order to provide for payment of the Debt Service Requirements on the Series 2025 Bonds and, in turn, may increase the burden of landowners within the 2025 Assessment Area, thereby possibly

increasing the likelihood of non-payment or delinquency in payment of such Series 2025 Special Assessments.

The Indenture does not contain an adjustment of the interest rates on the Series 2025 Bonds in the event of a determination of taxability of the interest thereon. Such a change could occur as a result of the District's failure to comply with tax covenants contained in the Indenture or the Arbitrage Certificate executed by the District upon issuance of the Series 2025 Bonds or due to a change in the United States income tax laws. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, Owners of the Series 2025 Bonds will be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties. Because the interest rates on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline. Prospective purchasers of the Series 2025 Bonds should evaluate whether they can own the Series 2025 Bonds in the event that the interest on the Series 2025 Bonds becomes taxable and/or the District is ever determined to not be a political subdivision for purposes of the Code and/or Securities Act.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this paragraph, the "Audited Bonds") issued by Village Center Community Development District ("Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local governmental body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements was closed without change to the tax-exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that Village Center CDD was not a "proper issuer of taxexempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to Village Center CDD.

On February 23, 2016, the IRS issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provided guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump, the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (a) impose an undue financial burden on U.S. taxpayers, (b) add undue complexity to the federal tax laws, or (c) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that the Treasury Department and the IRS believed that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that the Treasury Department and the IRS would continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future. Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Village Center CDD and the TAMs may continue to be applicable in the absence of further guidance from the IRS.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status but has advised such districts that such districts must have public electors within five (5) years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six (6) years or when there are 250 qualified electors in the District. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all members of the Board were elected by the landowners within the District and none were elected by qualified electors. Although it is impossible to predict whether the IRS will select the Series 2025 Bonds for audit, the District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be

required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rates on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline. See also "TAX MATTERS" herein.

Legislative Proposals and State Tax Reform

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2025 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been made and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2025 Bonds. There can be no assurance that any such legislation or proposal will be enacted, and if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for or marketability of the Series 2025 Bonds.

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming State legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "the state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the assessments and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders."

Loss of Exemption from Securities Registration

Since the Series 2025 Bonds have not been, and will not be, registered under the Securities Act or any state securities laws, pursuant to the exemption for political subdivisions, and regardless of any potential IRS determination that the District is not a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could independently determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of the Series 2025 Bonds may not be able to rely on the exemption from registration relating to securities issued by political subdivisions. In that event, Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Prepayment and Redemption Risk

The Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2025 Special Assessments by the Landowner or subsequent owners of property within the District. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, Owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and Owners of any Premium Bonds (hereinafter defined) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" herein.

Although not obligated to do so, the Developer currently anticipates prepaying a portion of the Series 2025 Special Assessments levied on the sixty-seven (67) 50' single-family lots in Phase 3 of the 2025 Assessment Area. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein for a breakdown of the estimated Series 2025 Special Assessments to be levied on the lands within the 2025 Assessment Area.

Performance of District Professionals

The District has represented to the Underwriter that it has selected its District Manager, District Counsel, Bond Counsel, Consulting Engineer, Assessment Consultant, Trustee and other professionals with the appropriate due diligence and care. While the foregoing professionals have each represented that they have the respective requisite experience to accurately and timely perform the duties assigned to them in such roles, the District does not guarantee the performance of such professionals.

No Credit Enhancement or Rating

No application for credit enhancement or a rating on the Series 2025 Bonds has been made, nor is there any reason to believe that the District would have been successful in obtaining either for the Series 2025 Bonds had application been made.

Mortgage Default and FDIC

In the event a bank forecloses on property in the 2025 Assessment Area because of a default on a mortgage with respect thereto and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Special Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action on such property for failure to pay Series 2025 Special Assessments.

TAX MATTERS

General

The Code establishes certain requirements which must be met subsequent to the issuance of the Series 2025 Bonds in order that interest on the Series 2025 Bonds be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause interest on the Series 2025 Bonds to be included in federal gross income retroactive to the date of issuance of the Series 2025 Bonds, regardless of the date on which such non-compliance occurs or is ascertained. These requirements include, but are not limited to, provisions which prescribe yield and other limits within which the proceeds of the Series 2025 Bonds and the other amounts are to be invested and require that certain investment earnings on the foregoing must be rebated on a periodic basis to the Treasury Department of the United States. The District has covenanted in the Indenture with respect to the Series 2025 Bonds to comply with such requirements in order to maintain the exclusion from federal gross income of the interest on the Series 2025 Bonds.

In the opinion of Bond Counsel, assuming compliance with certain covenants, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2025 Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Code and is not an item of tax preference for purposes of the federal alternative minimum tax; however, interest on the Series 2025 Bonds may be taken into account for the purpose of computing the alternative minimum tax imposed on certain corporations.

Except as described above, Bond Counsel will express no opinion regarding other federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in collateral federal income tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2025 Bonds; (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by fifteen percent (15%) of certain items, including interest on Series 2025 Bonds; (iii) the inclusion of interest on Series 2025 Bonds in earnings of certain foreign corporations doing business in the United States for purposes of the branch profits tax; (iv) the inclusion of interest on Series 2025 Bonds in passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year; and (v) the inclusion of interest on Series 2025 Bonds in "modified adjusted gross income" by recipients of certain Social Security and Railroad Retirement benefits for the purposes of determining whether such benefits are included in gross income for federal income tax purposes.

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the District, certificates of appropriate officers and certificates of public officials (including certifications as to the use of proceeds of the Series 2025 Bonds and of the property financed or refinanced thereby), without undertaking to verify the same by independent investigation.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2025 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDOWNERS, INCLUDING, BUT NOT LIMITED TO, THE

CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDOWNERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain noncorporate owners of Series 2025 Bonds, under certain circumstances, to "backup withholding" at the rate specified in the Code with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Other Tax Matters Relating to the Series 2025 Bonds

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2025 Bonds.

Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2025 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

On February 23, 2016, the Internal Revenue Service (the "IRS") issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provide guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. If adopted, the Proposed Regulations would have affected certain State and local governments that issue tax-exempt bonds, including community development districts such as the District. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump (the "Executive Order"), the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (i)

impose an undue financial burden on U.S. taxpayers, (ii) add undue complexity to the federal tax laws, or (iii) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that Treasury and the IRS believe that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that Treasury and the IRS will continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future.

Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Villages and the Villages TAM (each as defined below) may continue to be applicable in the absence of further guidance from the IRS. Bond Counsel will render its opinion regarding the exclusion from gross income of interest on the Series 2025 Bonds as described below.

On May 30, 2013, the IRS delivered to Village Center CDD, a Florida special district established under Chapter 190, Florida Statutes, a private ruling, called a technical advice memorandum (the "Villages TAM"), in connection with the examination by the IRS of bonds issued by the Village Center CDD (the "Audited Bonds"). The Villages TAM concluded that, despite having certain eminent domain powers, the Village Center CDD is not a political subdivision permitted to issue tax-exempt bonds based on a number of facts including that its governing board is elected by a small group of landowners, and that it "was organized and operated to perpetuate private control and avoid indefinitely responsibility to a public electorate, either directly or through another elected state or local governmental body."

The Villages TAM, as a private, non-precedential, ruling, binds only the IRS and the Village Center CDD, and only in connection with the Audited Bonds. Moreover, the cited legal basis for the Villages TAM is extremely limited, and, therefore, the value of the Villages TAM as guidance is also limited. Nonetheless, the breadth and force of the language used in the Villages TAM may reflect the disfavor of the IRS toward governmental entities with governing boards elected by landowners, and this position may lead the enforcement branch of the IRS to select bonds of other issuers with landowner-controlled boards for examination.

In July 2016, the IRS closed the examination of the Audited Bonds with no change to their tax-exempt status. Although the audit was closed with no adverse impact on the Audited Bonds, the IRS's motivations and rationale for closing the examination are unknown. The Village Center CDD refunded the Audited Bonds with taxable bonds in 2014.

Like the board of the Village Center CDD, the Board of Supervisors of the District is necessarily elected by the landowners in the District since there are not yet enough qualified electors residing in the District to transition the Board of Supervisors to a resident-elected Board of Supervisors. The Act, which contains the uniform statutory charter for all community development districts and by which the District is governed, delegates to the District certain traditional sovereign powers including, but not limited to, eminent domain, ad valorem taxation and regulatory authority over rates, fees and charges for district facilities. On the basis of the Act and certain representations by the District forming a part of the District's tax certificate as to its reasonable expectations of transition to a resident-elected Board of Supervisors, it does not appear from the facts and circumstances that the District was organized to avoid indefinitely responsibility to a public electorate. On the basis

of the foregoing and other factors, Bond Counsel has concluded that under current law the District is a political subdivision for purposes of Section 103 of the Code, notwithstanding that its Board of Supervisors is temporarily elected by landowners. Bond counsel intends to deliver its unqualified approving opinion in the form attached hereto as "APPENDIX D – FORM OF OPINION OF BOND COUNSEL."

The release of the Villages TAM may cause an increased risk of examination of the Series 2025 Bonds. Owners of the Series 2025 Bonds are advised that if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2025 Bonds may have limited rights to participate in such procedure. The Indenture does not provide for any adjustment to the interest rates borne by the Series 2025 Bonds in the event of a change in the tax-exempt status of the Series 2025 Bonds. The commencement of an audit or an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds could adversely impact both liquidity and pricing of the Series 2025 Bonds in the secondary market.

Tax Treatment of Original Issue Discount

Under the Code, the difference between the maturity amount of the Series 2025 Bonds __ 1, 20__ through and including ______ 1, 20__ (collectively, the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and, if applicable, interest rate, was sold is "original issue discount." Original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded periodically. A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds, and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondowners of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bond.

Tax Treatment of Bond Premium

The difference between the principal amount of the Series 2025 Bonds maturing on ______ (collectively, the "Premium Bonds"), and the initial offering price to the public, (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity, and, if applicable, interest rate, was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year

is determined actuarially on a constant interest rate basis over the term of each of the Premium Bonds, which ends on the earlier of the maturity or call date for each of the Premium Bonds which minimizes the yield on such Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Bondholders of the Premium Bonds are advised that they should consult with their own tax advisors with respect to the state and local tax consequences of owning such Premium Bonds.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder, requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District has not previously issued any bonds or other indebtedness and the District is not and has not ever been in default as to principal and interest on its bonds or other debt obligations.

VALIDATION

The Series 2025 Bonds are a portion of the Bonds that were validated by a Final Judgment of the Circuit Court of the Eighteenth Judicial Circuit of Florida, in and for Brevard County, Florida, entered on August 8, 2022. The period during which an appeal can be taken has expired.

LITIGATION

District

There is no pending or, to the knowledge of the District, any threatened litigation against the District of any nature whatsoever which in any way questions or affects the validity of the Series 2025 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the execution of the Indenture. Neither the creation, organization nor existence of the District, nor the title of the present members of the Board has been challenged.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs. In the opinion of District Counsel, there are no actions presently pending or threatened, the adverse outcome of which would have a material adverse effect on the availability of the Pledged Revenues or the ability of the District to pay the Series 2025 Bonds from the Pledged Revenues.

Landowner

In connection with the issuance of the Series 2025 Bonds, the Landowner will represent to the District that there is no litigation of any nature now pending or, to the

knowledge of the Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Landowner to complete the 2025 Assessment Area as described herein or materially and adversely affect the ability of the Landowner to perform its obligations described in this Limited Offering Memorandum.

CONTINUING DISCLOSURE AGREEMENT

This CONTINUING DISCLOSURE **AGREEMENT** (the "Disclosure Agreement") dated as of [Closing Date], is executed and delivered by TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT (the "District"), CAROLINA HOLDINGS II, LLC, a Nevada limited liability company, and SUNBELT TITUSVILLE INVESTMENTS, LLC, a Nevada limited liability company (together, the "Landowner"), and GOVERNMENTAL MANAGEMENT SERVICES - CENTRAL FLORIDA, LLC (the "Dissemination Agent") in connection with the issuance by the District of its \$[Bond Amount] Special Assessment Bonds, Series 2025 (2025 Assessment Area) (the "Bonds"). The District, the Landowner and the Dissemination Agent covenant and agree as follows:

1. Purpose of the Disclosure Agreement. WHEREAS, the District was established by Ordinance No. 4-2022 enacted by the City Council of the City of Titusville, Florida on February 22, 2022. The District was established, for the purpose of planning, financing, constructing, installing, operating, acquiring and/or maintaining certain infrastructure, including without limitation certain water distribution and sanitary sewer collection and transmission systems and facilities, a stormwater management system, roads, roadway and transportation improvements, and related improvements as more fully described in the Engineer's Report (as defined below); and

WHEREAS, the District intends to ultimately undertake the acquisition or development of public improvements as contemplated in the Engineer's Report, in part, for Phases 1, 2 and 3 of the Development (the "Series 2025 Project") through the use of proceeds from the sale of a series of its Bonds designated as Tranquility Community Development District Special Assessment Bonds, Series 2025 (Series 2025 Assessment Area) (the "Series 2025 Bonds") being issued on the date hereof pursuant to a Master Trust Indenture dated as of September 1, 2025 (the "Master Indenture"), from the District to U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by the First Supplemental Trust Indenture dated as of September 1, 2025 between the District and the Trustee (the "First Supplemental Indenture" and together with the Master Indenture, the "Indenture"); and

WHEREAS, the Series 2025 Bonds will only fund a portion of the costs of the Series 2025 Project; and

WHEREAS, in order to ensure that the public improvements needed to serve Series 2025 Assessment Area are completed and funding is available in a timely manner to provide for their completion, the District and the Developer desire to arrange herein for the Developer to provide the additional funds needed for the completion of the Series 2025 Project needed to serve Series 2025 Assessment Area over and above proceeds of the Series 2025 Bonds available for that purpose and to agree to complete the improvements needed to serve Series 2025 Assessment Area (the "2025 Developer Improvements"); and

WHEREAS, the portion of the Development within Series 2025 Assessment Area (i) depends on and will be significantly benefited by the completion of the Series 2025 Project needed to serve Series 2025 Assessment Area, a portion of which will be acquired by the District under the terms and conditions provided in the Acquisition Agreement between the Developer and District dated of even date herewith (the "Acquisition Agreement") and (ii) depends on the completion of certain 2025 Developer Improvements.

NOW THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, the District and the Developer hereby acknowledge and agree as follows:

1. **INCORPORATION OF RECITALS**. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

2. BOND ISSUANCE AND COMPLETION OF PUBLIC IMPROVEMENTS.

The District shall dedicate funding available from the Series 2025 Bonds (the "Bond Proceeds") to finance the costs of the Series 2025 Project, including, but not limited to, all administrative, legal, warranty, engineering, permitting and other related soft costs, whether pursuant to existing contracts, change orders, contracts assigned by the Developer to the District, or future contracts. The Bond Proceeds are expected to be insufficient to fully pay for the costs of the Series 2025 Project. The Developer hereby agrees to complete or cause to be completed, or to provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed: (i) the Series 2025 Project required to serve Series 2025 Assessment Area, which, at a minimum, shall include the costs of the Series 2025 Project which are unfunded by the Bond Proceeds; and (ii) 2025 Developer Improvements needed to serve Series 2025 Assessment Area (collectively, the "Remaining Improvements"). Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Improvements. The District's execution of and performance of its obligations under this

Agreement constitutes the manner and means by which the District has elected to provide any and all portions of the Remaining Improvements.

- (a) When all or any portion of the Remaining Improvements are the subject of an existing District contract, the Developer shall provide funds directly to the District as and when actually needed by the District, reasonably promptly upon notice by the District to the Developer, to pay costs, in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.
- (b) When any portion of the Remaining Improvements are <u>not</u> the subject of an existing District contract, the Developer may choose to complete or cause to be completed, or to provide funds to the District, as and when actually needed by the District to pay costs, in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements, subject to a formal determination by the District's Board of Supervisors that the option selected by the Developer will not materially and adversely impact the District, and is in the District's best interests.
- (c) Funds to be provided by Developer to the District pursuant to (a) and (b) above, shall be provided by Developer within a reasonable period of time after Developer's receipt of any and all information reasonably requested by Developer relating to any request by the District for such funding.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS.

- (a) The exact location, size, configuration and composition of the Series 2025 Project may change from that described in the Engineer's Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. The exact location, size, configuration and composition of the Series 2025 Project may change from that described in the Engineer's Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Series 2025 Project or 2025 Developer Improvements shall be made by a written amendment to the Supplemental Engineer's Report, which shall include an estimate of the cost of the changes, provided such changes shall not materially reduce the scope of such improvements without the consent of the Trustee acting at the direction of and on behalf of the bondholders owning a majority of the aggregate principal amount of the Series 2025 Bonds then outstanding.
- (b) For any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer for the benefit of the District shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer's Report or required by governmental regulation or development approval. The Trustee shall not be deemed to have assumed any obligations under this Agreement.

- 9. **SUCCESSORS**. The rights and obligations created by this Agreement shall be binding upon and inure to the benefit of Developer and District, their receivers, trustees, successors and assigns; provided, however, that it shall not be binding upon a homebuilder or an end user with a home that has received a certificate of occupancy.
- 10. **ASSIGNMENT**. Neither the District nor the Developer may assign this Agreement or any monies to become due hereunder without the prior written approval of the other and the Trustee and Bondholders owning a majority of the aggregate principal amount of the Series 2025 Bonds outstanding, which consent shall not be unreasonably withheld. Such consent shall not be required in the event of a sale of the majority of the lands within the District then owned by the Developer pursuant to which the unaffiliated purchaser agrees in writing to assume any remaining obligations of the Developer under this Agreement, provided however that no such assignment shall be valid where the assignment is being made for the purpose of avoiding the Developer's obligations hereunder.

RECITALS

WHEREAS, on the date hereof the District is issuing its \$______ in original principal amount of Special Assessment Bonds, Series 2025 (Series 2025 Assessment Area) (the "Series 2025 Bonds") to finance a portion of the cost of certain public infrastructure which will provide special benefit to a portion of the developable lands to be developed by Developer and more particularly described on attached Exhibit A (the "Lands"), which is located within the geographical boundaries of the District; and

WHEREAS, the Lands are being developed as a residential project known as Tranquility which is planned to contain approximately 269 platted units within an assessment area referred to herein as 2025 Assessment Area; and

WHEREAS, Assignor has acquired, or hereafter may acquire, certain rights Development & Contract Rights (hereinafter defined) in, to, under, or by virtue of certain contracts, agreements, and other documents, which now or hereafter affect the Lands and the Project (collectively, "Contract Documents"); and

WHEREAS, the security for the repayment of the Series 2025 Bonds is the special assessments levied against a portion of the Lands within the District (the "Series 2025 Special Assessments") designated as "2025 Assessment Area" by assessment proceedings undertaken by the District in connection with the Series 2025 Assessments (the "Assessment Proceedings"),

which Assessment Proceedings include the Master Assessment Methodology for Tranquility Community Development District dated May 11, 2022, as supplemented by the First Supplemental Assessment Methodology for the Series 2025 Project for Tranquility Community Development District, dated August 8, 2025 in connection with the Series 2025 Bonds; and

WHEREAS, the purchasers of the Series 2025 Bonds anticipate that the Lands in 2025Assessment Area Two will be developed in accordance with Engineer's Report for Tranquility Community Development District dated March 17, 2022, as supplemented by the Tranquility Community Development District Supplemental Engineer's Report (Series 2025 Project) dated June 17, 2025, (collectively the "Engineer's Report") each as prepared by Rodney Honeycutt, P.E. (the "District Engineer"), incorporated herein by reference which sets forth an improvement plan for the planning, design, acquisition, construction, and installation of various public infrastructure improvements and facilities within the boundaries of or for the benefit of the 2025 Assessment Area within the District (the "Improvement Plan") and that the Improvement Plan will be funded, in part, by net proceeds of the Series 2025 Bonds that are payable from the Series 2025 Special Assessments levied in accordance with the Assessment Proceedings; and

WHEREAS, the failure by the Developer to cause development of the portion of the Lands in Assessment Area Two all as contemplated by the Engineer's Report and the Assessment Proceedings ("Development Completion") may increase the likelihood that the purchasers of the Series 2025 Bonds will not receive the full benefit of their investment in the Series 2025 Bonds; and

WHEREAS, during the period in which the portion of the Lands in the 2025 Assessment Area are being developed and have yet to reach Development Completion, there is an increased likelihood that adverse changes to local or national economic conditions may result in a default in the payment of the Series 2025 Special Assessments, the primary revenues from the collection of which secure the Series 2025 Bonds; and

WHEREAS, in the event of default in the payment of the Series 2025 Special Assessments, the District has certain remedies with respect to the lien of the Series 2025 Special Assessments as more particularly set forth herein; and

WHEREAS, if the Series 2025 Special Assessments are directly billed, the sole remedy available to the District would be an action in foreclosure; if the Series 2025 Special Assessments are collected pursuant to Florida's uniform method of collection, the sole remedy for non-payment of the Series 2025 Special Assessments is the sale of tax certificates (collectively, the "Remedial Rights"); and

WHEREAS, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development & Contract Rights (defined below), to complete the Improvement Plan in the 2025 Assessment Area to the extent that such Development & Contract Rights are not subject to a Prior Transfer (as hereinafter defined); and

WHEREAS, this Assignment is not intended to impair or interfere with the development of the 2025 Assessment Area and shall only be inchoate until becoming an absolute assignment and assumption of the Development & Contract Rights, as defined below, upon failure of the

Assignor to pay the Series 2025 Special Assessments levied against the portion of the Lands in the 2025 Assessment Area owned by the Assignor; provided, however, that such assignment shall only become absolute to the extent that this Assignment has not been terminated earlier pursuant to the terms of this Assignment subject to the Prior Transfer of all or a portion of the Development & Contract Rights; and

WHEREAS, in the event of a transfer, conveyance or sale of any portion of the Lands in the 2025 Assessment Area, any and all affiliated entities or successors-in-interest to such Lands shall be subject to this Assignment, which shall be recorded in the Official Records of Brevard County, Florida; and

WHEREAS, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the 2025 Assessment Area; and

WHEREAS, absent this Assignment becoming absolute, it shall automatically terminate upon the earliest to occur of the following: (i) payment of the Series 2025 Bonds in full; (ii) Development Completion; or (ii) upon occurrence of a Prior Transfer, but only to the extent that such Development & Contract Rights are subject to the Prior Transfer (herein, the "Term").

 - (a) Each Assignor is currently, and in the future will be, in possession of the Development & Contract Rights related to the Lands and, in the future, will be the only entity (other than other entities that may receive applicable transfers of the Development & Contract Rights as part of Prior Transfers) that will be in possession of the Development & Contract Rights related to the Lands, and Assignor has made no assignment of the Development & Contract Rights to any person other than Assignee;
 - (b) Any transfer, conveyance or sale of the Lands, shall be subject to any and all affiliated entities or successors-in-interest of the Developers to this Assignment;
 - (c) Each Assignor is not prohibited under agreement with any other person or under any judgment or decree from (i) the execution and delivery of this Assignment; (ii) the performance of each and every covenant of Assignor hereunder and under the Contract Documents; and (iii) the meeting of each and every condition herein contained; and
 - (d) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor's obligations herein contained.

- (b) The Development & Contract Rights include all of Assignor's right to modify the Development & Contract Rights, to terminate the Development & Contract Rights, and to waive or release the performance or observance of any obligation or condition of the Development & Contract Rights; provided that no such modification, termination, waiver or release affects any of the Development & Contract Rights which pertain to lands outside of the District not relating to development of the Lands.
- (c) Assignor agrees to perform any and all actions necessary and use good faith efforts relating to any and all future creations, changes, extensions, revisions, modifications, substitutions, and replacements of the Development & Contract Rights.
- (d) In the event of the institution of any involuntary bankruptcy, reorganization or insolvency proceedings against the Assignor or the appointment of a receiver or a similar official

with respect to all or a substantial part of the properties of the Assignor, Assignor shall endeavor in good faith to have such proceedings dismissed or such appointment vacated within a period of one hundred twenty (120) days.

- 5. Event(s) of Default. Any breach of the Assignor's warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof will, after the giving of notice and an opportunity to cure (which cure period shall be at least sixty (60) days (and shall not be construed to extend any other cure periods provided hereunder) unless Assignee, in its sole discretion, agrees to a longer cure period) shall constitute an Event of Default under this Assignment. Additionally, the failure to timely pay the Series 2025 Special Assessments levied and imposed upon lands owned by Assignor shall constitute an immediate Event of Default.
- 6. Remedies Upon Event of Default. Upon an Event of Default, Assignee or its designee, may, as Assignee's sole and exclusive remedies, take any or all of the following actions, at Assignee's option:
- (a) Subject to the limitations described in Section 15 herein, any and all obligations of Assignor relating to the Development & Contract Rights and exercise any and all rights of Assignor therein as fully as Assignor could. The performance by Assignee of any such obligations: (i) shall not release Assignor from liability for such obligations; (ii) may be made without notice to or demand upon Assignor; and (iii) may be made without regard to the adequacy of other security for the indebtedness hereby secured
- (b) Initiate, appear in, or defend any action arising out of or affecting the Development & Contract Rights.
- (c) Sue for, or otherwise collect and receive, monies due under the Contract Documents, including those past due and unpaid, and apply the same against all costs and expenses of collection and then against all costs and expenses of operation of the Lands or the performance of Assignor's obligations under the Contract Documents. Neither entry upon and taking possession of the Lands nor the collection of monies due under the Contract Documents shall in any way operate to cure or waive any default under any instrument given by Assignor to Assignee, or prohibit the taking of any other action by Assignee under any such instrument, or at law or in equity, to enforce payment of the obligations secured hereby or to realize on any other security; and/or
- (d) Demand, effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from Assignee following and Event of Default, that Assignor use commercially reasonable efforts: (i) at the sole cost and expense of Assignor, to enforce the performance and observance of each and every material covenant and condition of the Contract Documents to be performed or observed; and (ii) appear in and defend any action involving the Contract Documents or the obligations or liabilities of Assignor or any guarantor thereunder. Also to be effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from following an Event of Default, Assignor will neither modify the terms of the Contract Documents in any material respect (unless required so to do by the terms thereof or to comply with documents executed in connection with the issuance of the Series 2025 Bonds) nor waive or release any third party from the performance of any obligation to be

performed or liability assumed under the terms of the Contract Documents or from liability on account of any warranty given by such third party, without the prior consent of Assignee, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, Assignor will not at any time knowingly take any action (or omit to take any action) with respect to the Development and Contract Rights that materially and adversely affect the rights of the District or the District's bondholders.

- 7. <u>Authorization.</u> Upon the occurrence and during the continuation of an Event of Default, Assignor does hereby authorize and shall direct any party to any agreement relating to the Development & Contract Rights to tender performance thereunder to Assignee or its designee upon written notice and request from Assignee. Any such performance in favor of Assignee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Assignor.
- 8. <u>Security Agreement.</u> Subject to the terms of this Assignment, this Assignment shall be a security agreement between Assignor, as the debtor, and Assignee, as the secured party, covering the Development and Contract Rights and Contract Documents that constitute personal property governed by the Florida Uniform Commercial Code ("Code"), and Assignor grants to Assignee a security interest in such Development and Contract Rights and Contract Documents. Notwithstanding the foregoing, Assignee shall not be entitled to exercise any right as a secured party, including, without limitation, the filing of any and all financing statements, until the occurrence of an Event of Default hereunder, subject to any applicable notice and cure period.
- 9. Third Party Beneficiaries. The trustee for the Series 2025 Bonds (the "Trustee"), on behalf of the bondholders, shall be a direct third party beneficiary of the terms and conditions of this Assignment and entitled to enforce Assignor's obligations following an Event of Default; provided such cause of enforcement by the Trustee shall be made at the direction of the bondholders owning a majority of the aggregate principal amount of the Series 2025 Bonds then outstanding. The Trustee shall not be deemed to have assumed any obligations under this Agreement. This Assignment is solely for the benefit of the parties set forth in this Section, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any other third party.
- 10. <u>Amendment.</u> This Assignment may be modified in writing only by the mutual agreement of all parties hereto. This Assignment may not be materially amended without the prior written consent of the Trustee acting on behalf and at the direction of the bondholders owning a majority of the aggregate principal amount of the Series 2025 Bonds then-outstanding.
- 11. <u>Arm's Length Transaction.</u> This Assignment has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Assignment and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Assignment, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

- 12. <u>Counterparts.</u> This instrument may be executed in any number of counterparts, each of which when executed and delivered shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.
- 13. <u>Severability.</u> The invalidity or unenforceability of any one or more provisions of this Assignment shall not affect the validity or enforceability of the remaining portions of this Assignment, or any part of this Assignment not held to be invalid or unenforceable.
- 14. Applicable Law and Venue. This Assignment and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Assignment shall be in Polk County, Florida.
- Assignment to the contrary, the Assignee shall have no responsibility to complete any portion of Assessment Area Two other than the portion representing the Improvement Plan and only to the extent of available proceeds from the Bonds used by the Assignee for such purpose.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed and delivered on the day and year first written above.

AGREEMENT BETWEEN TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT AND CAROLINA HOLDINGS II, LLC, REGARDING THE TRUE-UP AND PAYMENT OF SERIES 2025 ASSESSMENTS

This Agreement is made and entered into as of this ____ day of _____, 2025 by and between:

TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, Florida Statutes ("Uniform Act"), being situated in the City of Titusville, County of Brevard, Florida, and whose mailing address is 219 E. Livingston Street, Orlando, Florida 32801 (the "District"); and

CAROLINA HOLDINGS II, LLC, a Nevada limited liability company, the developer of certain lands within the boundaries of the District, whose address is 1645 Village Center Circle, Suite 170, Las Vegas, Nevada 89134 (the "Developer").

Recitals

WHEREAS, the District was established by ordinance of the City Council of the City of Titusville, Florida for the purpose of planning, financing, constructing, acquiring, operating and/or maintaining certain infrastructure, including, but not limited to, roadways, water and sewer utilities, stormwater management, entranceway improvements and other infrastructure authorized by Chapter 190, Florida Statutes; and

WHEREAS, the Developer is currently the owner of certain lands within City of Titusville, Brevard County, Florida, located within the boundaries of the District, as depicted in **Exhibit A** (the "Lands"), which is attached hereto and incorporated herein by reference; and

WHEREAS, the District, pursuant to Chapter 190, Florida Statutes, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, a Final Judgment was issued on August 8, 2022, validating the authority of the District to issue up to \$72,825,000.00 in aggregate principal amount of Tranquility Community

Development District Special Assessment Bonds ("Bonds") to finance certain improvements and facilities within the District and the time for taking an appeal from such Final Judgment has expired without an appeal being taken; and

WHEREAS, the infrastructure improvements and facilities to be financed, in part, by the Series 2025 Bonds are more specifically described and identified in the Tranquility CDD – Master Engineer's Report, dated March 17, 2022 (the "Master Engineer's Report"), as updated by the Tranquility Community Development District Supplemental Engineer's Report (Series 2025 Project), dated June 17, 2025, prepared by Honeycutt & Associates, Inc. ("Supplemental Engineer's Report"), as may be amended and supplemented from time to time (collectively with the Master Engineer's Report, the "Engineer's Report"), incorporated herein by reference (the "Improvement Plan"); and

WHEREAS, the District has taken certain steps necessary to impose special assessments in connection with the Series 2025 Bonds upon the benefitted Lands within the portion of the District designated as the "Series 2025 Assessment Area" pursuant to Chapters 170, 190 and 197, Florida Statutes (the "Series 2025 Special Assessments") as more specifically described in Resolution No(s). 2022-14 and 2022-15 adopted by the District on March 23, 2022, Resolution No. 2022-22 adopted by the Board on May 11, 2022, and Resolution No. 2025-[__], adopted by the Board on [September] [__], 2025, as may be amended and supplemented from time to time (collectively, the "Assessment Resolutions"); and

WHEREAS, Developer agrees that the portion of the Lands in the 2025 Assessment Area benefit from the design, construction or acquisition of the Improvement Plan related thereto and funded in part by the Series 2025 Bonds; and

WHEREAS, Developer agrees that the Series 2025 Special Assessments have been validly imposed and constitute valid, legal and binding liens upon the Lands subject thereto; and

WHEREAS, Developer waives any rights it may have under Section 170.09, Florida Statutes, to prepay the Series 2025 Special Assessments within 30 days after completion of the portion of the Improvement Plan funded by the Series 2025 Bonds; and

WHEREAS, Developer waives any defect in notice or publication or in the proceedings to levy, impose and collect the Series 2025 Special Assessments on the Lands subject thereto; and

WHEREAS, pursuant to the Assessment Resolutions, including the Assessment Report (hereinafter defined) approved pursuant to the Assessment Resolutions, a principal reduction payment, or true-up payment, may be required to be made under certain circumstances as set forth

in the Assessment Report (which payments shall collectively be referenced as the "True-Up Payment"); and

- **WHEREAS**, Developer and the District desire to enter into this agreement to confirm Developer's intentions and obligations to make any and all True-Up Payments related to the Series 2025 Special Assessments when due.
- **NOW, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which is hereby acknowledged, the parties agree as follows:
- <u>SECTION 1.</u> <u>RECITALS.</u> The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement. Any capitalized term not defined herein shall be defined as defined or described in the Indenture.
- SECTION 2. VALIDITY OF ASSESSMENTS. Developer agrees that each of the Assessment Resolutions has been duly adopted by the District. Developer further agrees that the Series 2025 Special Assessments imposed as a lien by the District are legal, valid and binding liens. Developer hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2025 Special Assessments.
- SECTION 3. COVENANT TO PAY. Developer, for itself and for all successors in interest to the Lands owned by Developer, agrees and covenants to timely pay all such Series 2025 Special Assessments levied and imposed by the District on the benefitted Lands owned by Developer within the District subject thereto, whether the Series 2025 Special Assessments are collected by the Brevard County Tax Collector pursuant to Section 197.3632, Florida Statutes, by the District, or by any other method allowable by law. Developer further waives any rights it may have under Section 170.09, Florida Statutes, to prepay the Series 2025 Special Assessments without interest within thirty (30) days of completion of the portion of the Improvement Plan funded by the Series 2025 Bonds.

SECTION 4. SPECIAL ASSESSMENT REALLOCATION. The District and Developer agree that:

A. The Series 2025 Special Assessments will be allocated in accordance with the Assessment Resolutions, including the Master Assessment Methodology for Tranquility Community Development District dated May 11, 2022, (the "Master Assessment Report"), and as supplemented by the First Supplemental Assessment Methodology for the Series 2025 Project for Tranquility Community Development District, dated August 8, 2025, (the "Supplemental Assessment Report" and, together with the Master Special Assessment Methodology Report, the "Assessment Report"). Pursuant to the Assessment Resolutions and the Assessment Reports, including Section [___] of the Master Assessment Report, as supplemented with respect to the Series 2025 Special Assessments by the Supplemental Assessment Report, there may be required, from time to time, certain "True-Up Payments." The initial debt assessment ceiling level for the Series 2025 Special Assessments is shown in the Supplemental Assessment Report. If as a result of platting or re-platting and

apportionment of the Series 2025 Special Assessments to the final platted parcels, the Series 2025 Special Assessments per unit equal more than the figures in Table [___], and it is determined that a True-Up Payment is due, the District may suspend the True-Up Payment if the Developer can show that there is sufficient development potential in the remaining undeveloped developable acreage within 2025 Assessment Area to build the densities required to fully amortize the Series 2025 Bonds. A determination of the suspension of a required True-Up Payment will be made at the sole discretion of the District; provided that any such determination will not adversely impact the ability of the District to pay debt service on the Series 2025 Bonds. The District will not release any liens on the Lands for which True-Up Payments are due until provision for such payment has been satisfactorily made.

- B. True-Up Payments shall become due and payable at the earlier of the time of platting or land is transferred by the Developer of the Lands subject to the True-Up Payment, together with interest on the Series 2025 Bonds to the next applicable interest date unless such interest date is less than 45 days from such True-Up Payment, then the following interest date, in addition to any regular installment of the Series 2025 Special Assessments levied on such land and shall constitute part of the lien of the Series 2025 Special Assessments imposed on such land. The District will ensure collection of such amounts in a timely manner to meet its debt service obligations on the Series 2025 Bonds and shall record all True-Up Payments in its Improvement Lien Book.
- C. The foregoing is based on the District's understanding with Developer that Developer will ultimately construct and convey or cause to be conveyed to the District the public improvements and right of way included in the Improvement Plan and necessary for Assessment Area One, and it is intended to provide a formula to ensure that the appropriate ratio of the Series 2025 Special Assessments to gross developable acres in the 2025 Assessment Area is maintained if less than the indicated residential units are developed. However, the District agrees that nothing herein prohibits more residential units from being developed on the Lands. In no event shall the District collect Series 2025 Special Assessments in excess of the total debt service related to the Series 2025 Bonds. If a True-Up Payment for the Lands pursuant to application of the District's Assessment Report would result in Series 2025 Special Assessments collected in excess of the District's total debt service obligation for the Series 2025 Bonds, the District agrees to take appropriate action by resolution to equitably reallocate the assessments in each Tract within the Lands or provide for an equitable refund.

SECTION 5. ENFORCEMENT. This Agreement is intended to abide by the application of True-Up Payments, if required, as set forth in the Assessment Resolutions, and to pay any True-Up Payment due on Lands within 2025 Assessment Area owned by the Developer. This Agreement does not alter or affect the liens created by the attached Assessment Resolutions. A default by either party under this Agreement shall entitle any other party to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance.

SECTION 6. RECOVERY OF COSTS AND FEES. In the event either party is required to enforce this Agreement by court proceedings or otherwise, then each prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

SECTION 8. ASSIGNMENT.

- a. *Agreement Runs with Land* Subject to Section 8.b. hereof, this Agreement shall constitute a covenant running with title to the Lands, binding upon Developer and its successors and assigns as to the Lands or portions thereof, except for any end-user, and any transferee of any portion of the Lands as set forth in this Section.
- b. *Transfer Conditions* Developer shall not transfer any portion of the Lands to any third party, without satisfying the following conditions ("Transfer Conditions"): (i) satisfying any True-Up Payment that results from any true-up determinations made by the District prior to such transfer, and (ii) obtaining an estoppel letter from the District addressing the same, provided however that with respect to the transfer of platted and fully developed lots to any homebuilders ("Builder"), the Transfer Conditions shall only include item (i), and item (ii) shall not be required. Any transfer that is consummated pursuant to this Section shall operate as a release of Developer from its obligations under this Agreement as to such portion of the Lands transferred and only arising from and after the date of such transfer, including satisfaction of all of the Transfer Conditions including payment of any True-Up Payments due and payable as of the date of such transfer. Further, the transferee, which by recording or causing to be recorded in the Public Records of Brevard County the deed transferring such Lands to the transferee, shall be deemed to assume Developer's obligations in accordance herewith, and shall be deemed the "Developer" from and after such transfer for all purposes as to such portion of the Lands transferred. Regardless whether the conditions of this subsection are met, any transferee shall take title subject to the terms of this Agreement, except for end-users.

As a point of clarification to control over any contrary terms in this Agreement (if any), and provided that any True-Up Payment is first made (which may be confirmed from an estoppel letter issued by the District though its District Manager), any platted and fully developed lot that: (i) is conveyed to a Builder, or (ii) is conveyed to an end user with a home that has received a certificate of occupancy, is automatically and forever released from the terms and conditions of this Agreement, as may be amended.

If any portion of the Lands are transferred by the Developer to a unit of local government which has not consented to the lien of the Series 2025 Special Assessments, such Series 2025 Special Assessments must be paid in full including accrued interest by way of a True – Up Payment.

SECTION 9. AMENDMENT. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer. Material amendments require consent of the Trustee acting at the direction of a majority of the Bondholders.

SECTION 10. TERMINATION. This Agreement shall continue in effect until it is rescinded in writing by the mutual assent of each party which shall require consent of the Trustee acting at the direction of a majority of the Bondholders. This Agreement shall automatically terminate upon payment in full of the Series 2025 Bonds, or upon final allocation of all Series 2025 Special Assessments to all property in the District and no further replating is permitted subject thereto, and all True-Up Payments, if required, have been paid.

SECTION 11. NEGOTIATION AT ARM'S LENGTH. This Agreement has been negotiated fully between the parties as an arm's length transaction. All parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either party.

SECTION 12. THIRD PARTY BENEFICIARIES. The Trustee shall not be deemed to have assumed any obligations under this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto and the Trustee on behalf of the Bondholders owning a majority of the outstanding Series 2025 Bonds, any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns.

- 1. **INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement. Reference is also made to the Indenture, as supplemented from time to time, in connection with the issuance of the Bonds.
- 2. BOND ISSUANCE AND COMPLETION OF SERIES 2025 PROJECT. The District has heretofore approved the issuance of the Bonds in the original principal amount of \$______. The District may, but shall not be required to, issue and sell one or more series of additional Bonds in the future. - 7. **CERTIFICATIONS.** Before any payment by the District to the Developer for the Series 2025 Project, the District shall be provided with a certificate (or certificates), signed by the District's Engineer and a certificate (or certificates) signed by the Developer certifying that (each, a "Certificate"),: (a) the amount to be paid to the Developer for any portion of the Series 2025 Project does not exceed the lower of (i) the actual cost paid or to be paid by the Developer for said Series 2025 Project (based upon representations of the Developer), including costs associated with preparation of the Plans and permitting the Series 2025 Project or (ii) the fair market value of such Series 2025 Project; (b) that said Series 2025 Project for which payment is to be made are part of the Improvement Plan; (c) that said Series 2025 Project conveyed or to be conveyed to the District have been installed or constructed in substantial conformity with the plans and specifications and in conformance with applicable rules, regulations, ordinances, laws and all permits and approvals governing the installation or construction of the same; (d) that all currently required approvals and permits for acquisition, construction, reconstruction, installation and equipping of the Series 2025 Project or any portion thereof have been obtained or can reasonably be expected to be obtained from all applicable regulatory bodies; and (e) that the Developer has paid all contractors, subcontractors and materialmen that have provided services or materials in connection with such Series 2025 Project. With respect to the Certificate to be provided by the Developer, the certifications in the foregoing clauses (a) and (c) can be qualified to the best of the Developer's knowledge.
- 8. **REPRESENTATIONS AND WARRANTIES OF THE DEVELOPER.** The Developer represents and warrants to the District as follows, which representations and warranties shall be deemed made by the Developer to the District as of the Effective Date, and as of the date of Closing, and the Developer acknowledge that, but for such representations and warranties, the District would not execute this Agreement:
 - (a) This Agreement, and the consummation of the transactions described herein, and all agreements, instruments and documents herein provided to be executed or to be caused to be executed by the Developer have been or shall be, duly authorized, executed and delivered by, and, upon delivery thereof, shall be binding upon and enforceable against the Developer in accordance with their respective terms.
 - (b) The Developer has the legal right, power and authority to enter into this Agreement and to perform all of its obligations hereunder, and the execution and delivery of this Agreement and the performance by the Developer of its obligations hereunder shall not conflict with or result in a breach of any law or regulation, or order, judgment, writ, injunction or decree of any court or governmental instrumentality or any agreement or instrument to which the Developer is a party or by which the Developer is bound or to which the Developer or any portion of the District Lands are subject.

- (c) The Developer is not a foreign person and is not in any manner controlled by a foreign person within the meaning of Section 1445 of the Internal Revenue Code of 1986, as amended.
- (d) To the best knowledge of the Developer, the Developer has not received any notice of violation of any applicable law pertaining to the land within the District or any portion thereof, nor does the Developer have knowledge of any such violation.

- (f) The Developer will take no action prior to recording of a Deed for any portion of the District Lands which would adversely affect the title to such portion of the District Lands.
- (g) There are no actions or proceedings now pending in any state or Federal court or other governmental body of which the Developer is a party, including, but not limited to, proceedings in bankruptcy, receivership or insolvency, which would adversely affect the title to the District Lands or the ability of the Developer to close on the conveyance of the applicable portion of the District Lands to the District.
- (h) There are no parties in possession of or with any rights to possession of the applicable portion of the District Lands other than the Developer or the District. Lien releases will be provided from any mortgage holder for any lands transferred to the District.

9. **INDEMNIFICATION**.

- (a) The Developer agrees to indemnify and hold harmless the District from and against any and all costs, liabilities, claims, obligations, expenses, losses, damages, judgments or other injuries (including, but not limited to, reasonable attorneys' fees, costs and expenses of litigation and appeals) (collectively, "Damages") arising out of and to the extent attributable to the negligent acts, errors, or omissions, or willful misconduct of the Developer, its agents, or employees in the performance of its obligations under this Agreement. The covenants and representations relating to this indemnification provision shall survive the term of this Agreement and continue in full force and effect.
- (b) (i) The District shall give the Developer prompt written notice of any claims for Damages made by third parties ("Third Party Claims"), setting forth therein in reasonable detail the basis for such Third Party Claim, and the Developer shall have the right (unless (1) the Developer is also a party to such proceeding and the District determines in good faith that joint representation would be inappropriate, or (2) the Developer fails to provide reasonable assurance to the District of its financial capacity to defend such proceeding and provide indemnification with respect to such proceeding) to undertake the defense thereof by representatives chosen by it, provided that failure to provide such prompt notice shall not affect

the Developer's obligations hereunder, except to the extent that the Developer is actually prejudiced by such failure; and provided further, that the District will reasonably cooperate with the Developer in defending such Third Party Claim.

- (ii) If the Developer, within a reasonable time after written notice of any such Third Party Claim is received by Developer, fails to defend the District against such Third Party Claim, the District shall (upon further written notice to the Developer) have the right to undertake the defense, compromise or settlement of such Third Party Claim on behalf of and for the account and risk of the Developer subject to the right of the Developer to assume the defense of such Third Party Claim at any time prior to settlement, compromise or final determination thereof.
- (iii) Any provision in this Section 9(b) to the contrary notwithstanding, (1) if there is a reasonable probability that a Third Party Claim may materially and adversely affect the District other than as a result of money damages or other money payments, the District shall have the right to defend, compromise or settle such Third Party Claim; provided however, that if such Third Party Claim is settled without the Developer's consent, the District shall be deemed to have waived all rights hereunder against the Developer for money damages arising out of such Third Party Claim; and (2) the Developer shall not, without the written consent of the District, settle or compromise any Third Party Claim or consent to the entry of any judgment which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the District a release from all liability in respect to such Third Party Claim.
- 10. **SUCCESSORS.** The rights and obligations created by this Agreement shall be binding upon and inure to the benefit of the Developer and the District, and their heirs, executors, receivers, trustees, and permitted successors and assigns.

- 13. **CAPTIONS.** The captions for each section of this Agreement are for convenience and reference only and in no way define, describe, extend, or limit the scope of intent of this Agreement, or the intent of any provision hereof.
- 14. **SEVERABILITY.** If any provision of this Agreement, the deletion of which would not adversely affect the receipt of any material benefit by any party hereunder or substantially increase the burden of any party hereto, shall be held to be invalid or unenforceable

to any extent, the same shall not affect in any respect whatsoever the validity or enforceability of the remainder of this Agreement.

- 15. **EXECUTION OF DOCUMENTS.** Each party covenants and agrees that it will at any time and from time to time do such acts and execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such documents reasonably requested by the parties necessary to carry out fully and effectuate the transaction herein contemplated and to convey good and marketable title for all conveyances subject to this Agreement.

- 17. **AUTHORITY.** The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this Agreement.
- 18. **AMENDMENTS AND WAIVERS.** This Agreement may not be amended, modified, altered, or changed in any respect whatsoever except by a further agreement in writing duly executed by the parties hereto. No failure by the District or the Developer to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy upon a breach thereof shall constitute a waiver of any such breach or of such or any other covenant, agreement, term, or condition. Either party hereto, by notice, may but shall be under no obligation to, waive any of its rights or any conditions to its obligations hereunder. No waiver shall affect or alter this Agreement but each and every covenant, agreement, term, and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. Material amendments require consent of the Trustee acting at the direction of a majority of the Bondholders.
- 19. **APPLICABLE LAW AND VENUE.** This Agreement is made and shall be construed under the laws of the State of Florida. Venue for any litigation arising out of or related to this Agreement shall be in Polk County, Florida.
- 20. **SPECIFIC PERFORMANCE.** In the event of the Developer's default under this Agreement, the parties agree as to the absence of adequate remedies at law; therefore, the District shall have, in addition to such rights and remedies as provided by general application of law, the right to obtain specific performance of the Developer's obligations hereunder.
- 21. **REMEDIES.** A default by either party under the Agreement shall entitle the other to all remedies available at law or in equity, which shall include but not be limited to the right of damages, injunctive relief and specific performance and specifically include the ability of the

District to enforce any and all payment obligations under this Agreement through the imposition and enforcement of a contractual or other lien on property owned by the Developer.

22. **COSTS AND FEES.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorney's fees and costs for trial, alternate dispute resolution, or appellate proceedings.

- (b) Notwithstanding Paragraph 23(a) above, the formal parties to this Agreement expressly affirm that the Trustee shall be a third-party beneficiary of this Agreement, and entitled to directly enforce the obligations of the parties hereunder acting at the direction of the beneficial owners ("Series 2025 Bondholders") owning a majority of the aggregate principal amount of the Series 2025 Bonds outstanding. Such consent shall not be required in the event of a sale of the majority of the lands within the District then owned by the Developer pursuant to which the unaffiliated purchaser agrees in writing to assume any remaining obligations of the Developer under this Agreement, provided however that no such assignment shall be valid where the assignment is being made for the purpose of avoiding the Developer's obligations hereunder.

The undersigned entity(ies) ("Landowner"), as the owner of land located in the Tranquility Community Development District (the "District") and made a part hereof, intending that it and its respective successors in interest to the land in the District which it owns (the "Lands") shall be legally bound by this Declaration of Consent to Jurisdiction of Tranquility Community Development District and to Impose Special Assessments (this "Declaration"), hereby declares, acknowledges and agrees as follows:

- 1. The District is and has been at all times on and after February 22, 2022, a legally created, duly organized and validly existing community development district under the provision of Florida Statutes, Chapter 190, as amended (the "Act") and other applicable law. - 2. The Landowner on its behalf and any successors and assigns to the Lands hereby confirms and agrees that non-ad valorem special assessments (collectively, the "Series 2025 Special Assessments") were imposed pursuant to resolutions of the District against the lands described on **Exhibit A**, which Series 2025 Special Assessments were duly imposed by the Board of Supervisors of the District, and, to the best of the knowledge of the Landowner, all proceedings undertaken by the District with respect thereto (collectively, the "Assessment Proceedings") have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the Series 2025 Special Assessments and same are legal, valid and binding first liens upon the Land, coequal with the lien of all state, county, district and municipal taxes, superior in dignity to all other liens, titles and claims, until paid.
- 3. The Landowner on its behalf and any successors and assigns to the Lands hereby waives the right granted in Chapter 170.09, *Florida Statutes*, to prepay the Series 2025 Special Assessments within thirty (30) days after the improvements financed with proceeds of the District's Series 2025 Bonds issued in one or more series (the "Bonds"), are completed, without interest, in consideration of rights granted by the District to permit prepayment of the Series

2025 Special Assessments in full or in part at any time, but with interest, as set forth in the resolutions of the District levying the Series 2025 Special Assessments.

- The Landowner hereby expressly acknowledges, represents and agrees that (i) it has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever relating to payments of the Series 2025 Special Assessments authorized or claims of invalidity, deficiency or unenforceability of the Series 2025 Special Assessments; (ii) to the extent Landowner fails to timely pay any Series 2025 Special Assessments collected by mailed notice of the District, such unpaid special assessments and future Series 2025 Special Assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to section 197.3632, Florida Statutes, in any subsequent year; (iii) the Landowner hereby waives any and all rights, remedies, and other actions now or hereafter contemplated to contest, challenge, or otherwise dispute or object to the Assessment Proceedings or the Series 2025 Special Assessments, the financing documents relating to the Bonds and all proceedings undertaken by the District in connection therewith; and (iv) the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner's default, and agrees that (1) the Series 2025 Assessments are not a tax, and (2) immediate use of remedies in Chapter 170, Florida Statutes, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, Florida Statutes.
- 5. This Declaration shall represent a lien of record on the Lands with respect to the Series 2025 Assessments, for purposes of Chapter 197 of the *Florida Statutes*, including, without limitation, Section 197.573. Other information regarding the Series 2025 Special Assessments is available from the District, whose address is 219 E. Livingston St, Orlando, Florida 32801.

INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors
Tranquility Community Development District
City of Titusville, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of Tranquility Community Development District, City of Titusville, Florida ("District") as of and for the fiscal year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, and the major fund of the District as of September 30, 2024, and the respective changes in financial position, thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The District's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information Included in the Financial Report

Management is responsible for the other information included in the financial report. The other information comprises the information for compliance with FL Statute 218.39 (3) (c) but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 5, 2025, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The management of the Tranquility Community Development District, City of Titusville, Florida ("District") would like to offer the readers of the District's financial statements this discussion and analysis of the District's financial activities for the fiscal year ended September 30, 2024. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

FINANCIAL HIGHLIGHTS

- The liabilities of the District exceeded its assets at the close of the most recent fiscal year resulting in a net deficit balance of (\$14,659).
- The change in the District's total net position in comparison with the prior fiscal year was (\$2,634), a decrease. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2024, the District's governmental funds reported combined ending fund balances of \$8,223 a decrease of (\$2,634) in comparison with the prior fiscal year. The total fund balance is unassigned fund balance which is available for spending at the District's discretion.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as the introduction to the District's financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by Developer contributions. The District does not have any business-type activities. The governmental activities of the District include the general government (management) function.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category, the governmental funds.

OVERVIEW OF FINANCIAL STATEMENTS (Continued)

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balance provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains one governmental fund for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, which is considered a major fund.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, liabilities exceeded assets at the close of the fiscal year ended September 30, 2024.

Key components of the District's net position are reflected in the following table:

NET POSITION SEPTEMBER 30,

	 2024	2023
Current and other assets	\$ 15,574 \$	11,272
Total assets	15,574	11,272

Total net position	\$ (14,659) \$	(12,025)

The District's net position decreased during the most recent fiscal year.

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

Key elements of the change in net position are reflected in the following table:

CHANGES IN NET POSITION FOR THE FISCAL YEAR ENDED SEPTEMBER 30,

TOTALLE TOOME TENTEDED OF TEMBER 60,							
		2024	2023

As noted above and in the statement of activities, the cost of all governmental activities during the during the fiscal year ended September 30, 2024 was \$58,133. The costs of the District's activities were primarily funded by program revenues. Program revenues of the District are comprised of Developer contributions.

GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2024.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND OTHER EVENTS

The Board has initiated discussions to issue Bonds to fund the construction of the District infrastructure; however, the Bonds have not been issued as of the date of the report.

TRANQUILITY COMMUNITY DEVELOPMENT DISTRICT CITY OF TITUSVILLE, FLORIDA NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF ORGANIZATION AND REPORTING ENTITY

Tranquility Community Development District ("the District") was created on February 22, 2022, pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes, by City of Titusville Ordinance 2022-04. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("the District") which is composed of five members. The Supervisors are elected by landowners of the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes. One of the Board members is affiliated with Carolina Holdings II, LLC (the "Developer") as of September 30, 2024.

The District has the final responsibility for:

- 1. Assessing and levying maintenance taxes and special assessments.
- 2. Approving budgets.
- 3. Exercising control over facilities and properties.
- 4. Controlling the use of funds generated by the District.
- 5. Approving the hiring and firing of key personnel.
- 6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards District ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the Board of Supervisors is considered to be financially accountable and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Government-Wide and Fund Financial Statements

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include: 1) charges to customers who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; operating-type special assessments for maintenance and debt service are treated as charges for services and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Assessments

Assessments are non-ad valorem assessments on benefitted property within the District. Operating and Maintenance Assessments are based upon adopted budget and levied annually. Debt Service Assessments are levied when Bonds are issued and assessed and collected on an annual basis. The District may collect assessments directly or utilize the uniform method of collection (Chapter 197.3632, Florida Statutes). Direct collected assessments are due as determined by annual assessment resolution adopted by the Board of Supervisors. Assessments collected under the uniform method are mailed by County Tax Collector on November 1 and due on or before May 31 of each year. Property owners may prepay a portion or all of the Debt Service Assessments on their property subject to various provisions in the Bond documents.

Assessments and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. The portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District reports the following major governmental fund:

General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

Assets, Liabilities and Net Position or Equity

Restricted Assets

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

Deposits and Investments

The government's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Deposits and Investments (Continued)

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

Capital Assets

Capital assets which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

Long-Term Obligations

In the basic financial statements, long-term debt and other long-term obligations are reported as liabilities statement of net position. Bond premiums and discounts are deferred and amortized ratably over the life of the Bonds. Bonds payable are reported net of the applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

<u>Deferred Outflows/Inflows of Resources</u>

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time

Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

The District can establish limitations on the use of fund balance as follows:

<u>Committed fund balance</u> – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

Other Disclosures

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 3 – BUDGETARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain public comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

NOTE 4 - DEPOSITS

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

NOTE 5 – LONG TERM LIABILITIES

In the prior years the Developer advanced money to the District to provide funding for expenses that will be reimbursed from a future Bond issuance. A total of \$22,882 has been advanced as of the fiscal year ended September 30, 2024. If Bonds are not issued within 5 years then the advance will be considered a Developer contribution. The Bonds have not been issued as of the date of the report.

Total	\$ 22,882	\$	=	\$	-	\$	22,882	\$	

NOTE 6 – DEVELOPER TRANSACTIONS

The Developer has agreed to fund the general operations of the District. In connection with that agreement, Developer contributions to the general fund were \$55,499 as well as a receivable of \$7,790 as of September 30, 2024.

NOTE 7 – CONCENTRATION

The District's activity is dependent upon the continued involvement of the Developer the loss of which could have a material adverse effect on the District's operations.

NOTE 8 - MANAGEMENT AGREEMENTS

The District has contracted with a management company to perform management advisory services, which include financial and accounting advisory services. Certain employees of the management company also serve as officers of the District. Under the agreement, the District compensates the management company for management, accounting, financial reporting, computer and other administrative costs.

NOTE 9 - RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The District has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations. There were no settled claims since the creation of the district.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Supervisors
Tranquility Community Development District
City of Titusville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Tranquility Community Development District, City of Titusville, Florida ("District") as of and for the fiscal year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated June 5, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES, REQUIRED BY RULE 10.556(10) OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

To the Board of Supervisors
Tranquility Community Development District
City of Titusville, Florida

We have examined Tranquility Community Development District, City of Titusville, Florida's ("District") compliance with the requirements of Section 218.415, Florida Statutes, in accordance with Rule 10.556(10) of the Auditor General of the State of Florida during the fiscal year ended September 30, 2024. Management is responsible for District's compliance with those requirements. Our responsibility is to express an opinion on District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the District complied, in all material respects, with the specified requirements referenced in Section 218.415, Florida Statutes. An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified requirements.

In our opinion, the District complied, in all material respects, with the aforementioned requirements during the fiscal year ended September 30, 2024.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, management, and the Board of Supervisors of Tranquility Community Development District, City of Titusville, Florida and is not intended to be and should not be used by anyone other than these specified parties.

Memorandum

To: Board of Supervisors

From: District Management

Date: August 14, 2024

RE: HB7013 – Special Districts Performance Measures and Standards

To enhance accountability and transparency, new regulations were established for all special districts, by the Florida Legislature, during their 2024 legislative session. Starting on October 1, 2024, or by the end of the first full fiscal year after its creation (whichever comes later), each special district must establish goals and objectives for each program and activity, as well as develop performance measures and standards to assess the achievement of these goals and objectives. Additionally, by December 1 each year (initial report due on December 1, 2025), each special district is required to publish an annual report on its website, detailing the goals and objectives achieved, the performance measures and standards used, and any goals or objectives that were not achieved.

District Management has identified the following key categories to focus on for Fiscal Year 2025 and develop statutorily compliant goals for each:

- Community Communication and Engagement
- Infrastructure and Facilities Maintenance
- Financial Transparency and Accountability

Additionally, special districts must provide an annual reporting form to share with the public that reflects whether the goals & objectives were met for the year. District Management has streamlined these requirements into a single document that meets both the statutory requirements for goal/objective setting and annual reporting.

The proposed goals/objectives and the annual reporting form are attached as exhibit A to this memo. District Management recommends that the Board of Supervisors adopt these goals and objectives to maintain compliance with HB7013 and further enhance their commitment to the accountability and transparency of the District.
